d) Played more than two (2) hours – two (2) hours rest

If play has been interrupted for thirty (30) minutes or more due to rain or other warranted delay, the length of match time would be assessed from the moment play resumes following the delay.

If play is interrupted for less than thirty (30) minutes, match time would be considered continuous from the moment the first ball of the match was put into play.

No rest is allowed after the second set in a three-set singles match unless the extreme weather conditions rule is in effect.

k) Medical Conditions

For the full Medical Conditions Rule see Appendix D.

l) Court Protection

Prevention of damage to the courts is at the discretion of the Referee. The following items could create damage to the courts and should be inspected.

- i. Footrests
- ii. Front Casters
- iii. Rear Anti-tip Tubes
- iv. Rear Tyres

Players are also required to have non-marking tyres that do not damage the court surface. A reasonable amount of time will be given to correct the violation(s). This will be determined by the Referee. Failure to do so will be grounds for default.

m) Light-up Casters

Light-up casters are prohibited to be used by a player whilst competing on court.

n) Extreme Weather Conditions

- a. Definitions

Extreme Heat Condition: Modification of Play

Extreme Heat Condition: Modification of Play criterion is defined as when the Web-Bulb Globe Temperature (WBGT) on court meets or exceeds 28.0°C (82.4°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Modification of Play criterion is defined as when the Heat Index meets or exceeds 32.2°C (90.0°F).

Extreme Heat Condition: Suspension of Play

Extreme Heat Condition: Suspension of Play criterion is defined as when the WBGT on court meets or exceeds 30.1°C (86.2°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Suspension of Play criterion is defined as when the Heat Index meets or exceeds 34.0°C (93.2°F).

Extreme Heat Condition: Immediate Suspension of Play

Extreme Heat Condition: Immediate Suspension of Play criterion is defined as when the WBGT on court meets or exceeds 32.2°C (90.0°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Immediate Suspension of

Play criterion is defined as when the Heat Index meets or exceeds 40.1°C (104.2°F).

b. Measurement Procedure

The WBGT or Heat Index should be measured at least three (3) times daily by the Referee, Tournament Director and/or ITF Supervisor or his/her designee. All readings should be posted in the Referee/ITF Supervisor’s office. Ideally, measurements should be taken every 2 hours, but a minimum three (3) readings should be taken at the following times:

1. 30 minutes before match play begins;
2. Middle of the scheduled day’s play; and
3. Just prior to beginning the last match of the day, or just prior to the start of the first evening session match.

The WBGT or Heat Index should also be measured under the following circumstances:

1. Following any suspension of play; and
2. At the discretion of the Referee, Tournament Director and/or ITF Supervisor, in consultation with the Tournament Doctor and/or Sports Physiotherapist.

Details on the measurement of WBGT and Heat Index are provided in the current edition of the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

c. Extreme Heat Condition: Modification of Play

When the Extreme Heat Condition: Modification of Play criterion is met before the start or resumption of a match, the procedures set out below in sub-section (d) should be followed.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is met while a match is in progress, as determined by the periodic monitoring set out above in sub-section (b), the procedures set out below in sub-section (d) should be followed on all courts, including matches already in progress. Once notified that the Extreme Weather Condition: Modification of Play criterion is met, the Chair Umpire or Off-Court Umpire must inform the players at the next change of ends or set break.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is no longer met, as determined by the periodic monitoring set out above in sub-section (b), those matches already in progress should continue to follow the procedures set out below in sub-section (d) until they are completed or suspended.

d. Modification of Play Procedures (Singles and Doubles)

A 15-minute break will be allowed, beginning from the time that the players reach the designated rest area, between the second and third sets (in a best of 3 sets match) if one or more of the players requests such a break. If neither/none of the players requests such a break, then play will continue.

However, if a match has already resumed following the suspension of play and one set was completed before the suspension of play (in a best of 3 tie-break sets match only), the 15-minute break will no longer be available, unless otherwise decided by the Referee, Tournament Director and/or ITF Supervisor.

The Referee, Tournament Director and/or ITF Supervisor, in consultation with the Tournament Doctor/Sports Physiotherapist, may choose to delay the starting time for matches until such a time as the Extreme Heat Condition: Modification of Play criterion is no longer met. In very hot climates it is advised that matches are scheduled in the morning and late afternoon/evening.

- i. During the 15-minute break:
 - a. No coaching is allowed.
 - b. A Medical Evaluation, Medical Time-Out or Medical Treatment is not allowed, unless approved by the Referee/ITF Supervisor. This would normally be restricted to requests for the Tournament Doctor/Sports Physiotherapist that are made on-court to the Chair Umpire, or were already agreed before the end of the second set (in a best of 3 sets match). However, a player is allowed to receive an adjustment of medical support, medical equipment and/or medical advice from the Tournament Doctor/Sports Physiotherapist during the 15-minute break.
- ii. Immediately following the 15-minute break:
 - a. Any delay in resumption of play will subject a player to Time Violations (Warning, Point Penalties only apply).
 - b. No re-warm up is allowed.
 - c. A player is not allowed to receive a Medical Evaluation, Medical Time-Out or Medical Treatment, unless approved by the Referee/ITF Supervisor.
- iii. Consecutive Breaks

An Extreme Weather Condition: Modification of Play 15-minute break and a Bathroom/Change of Attire break cannot be taken consecutively.

- e. Extreme Heat Condition: Suspension of Play (Singles and Doubles)

When the Extreme Heat Condition: Suspension of Play criterion is met before the start or resumption of a match, the start or resumption of play should be suspended until Extreme Heat Condition: Suspension of Play criterion is no longer met. If a match is in progress when the Extreme Heat Condition: Suspension of Play criterion is met, play should be suspended at the end of the set. Once the Extreme Heat Condition: Suspension of Play criterion is no longer met, the Referee/ITF Supervisor should give the players reasonable notice of the time at which play will resume.

- f. Extreme Heat Condition: Immediate Suspension of Play (Singles and Doubles)

If a game is in progress when the Extreme Heat Condition: Immediate Suspension of Play criterion is met, play should be suspended with immediate effect.

g. General provisions

Tournaments must provide shade and ice buckets on court for Quad players. A Quad player may be assisted to spray water over his/her face.

h. Lightning

The ITF Supervisor or his/her designee is responsible for monitoring the local weather for lightning. The ITF Supervisor has the authority to suspend play when a thunderstorm appears imminent (for instance if lightning is sighted and thunder occurs in 30 seconds or less). Everyone on-site should be advised to seek appropriate shelter immediately. Play should not resume until the likelihood of a lightning strike has passed (as a guideline, at least 30 minutes after the last lightning strike is seen and the last sound of thunder is heard). Additional information on thunderstorms and lightning is provided in the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

36. FORMAT OF PLAY

- a) All Men's, Women's and Quad Main and Second Draw matches, as well as juniors matches, will be played according to the Rules of Tennis.
- b) All singles matches shall be the best of three (3) sets.
- c) The format of doubles matches shall be as follows:
 - 1. Paralympics, ITF Super Series and Masters Series – best of 3 tie break sets.
 - 2. Grand Slams – to be agreed with each Grand Slam
 - 3. World Team Cup – best of three sets, the first two to be played as tie-break sets but if the score is one set all, one match tie-break (10 points) shall be played to decide the match.
 - 4. ITF1,2,3 and Futures Series – best of three sets, the first two to be played as tie-break sets but if the score is one set all, one match tie-break (10 points) shall be played to decide the match.

- d) Except as otherwise provided below, advantage scoring shall be used in all matches (singles and doubles).
- e) Alternative Scoring may be adopted as an alternative to the traditional scoring system, provided the decision is announced in advance of the event and is approved by the ITF in advance. Once tournaments have decided to use this system in a draw, it must be used for all matches in that draw.

The following approved Alternative Scoring methods may be used as an alternative to the traditional scoring system:

- "Short" Sets
- Deciding Match Tie-Break Game (7 points)
- Deciding Match Tie Break Game (10 points)

For an explanation on the use of the Alternative Scoring Systems please see Appendix V of the 2020 Rules of Tennis.

- f) All players who wish to play consolation must sign in for consolation. The format for consolation matches will be the same as for the draws as described above, including seeding and bye lines as described in Regulations 38 "Seeds" and Regulation 41 "Making the draw".
- g) If there are only five (5) singles players or less in the Main Draw, tournaments are requested to play a Round Robin format. It is at the discretion of the tournament whether a final is played between the top two placed players and this must be announced in advance. For all Consolation Draws tournaments are requested to play Knock-Out format.

If there are less than five (5) doubles teams, tournaments are recommended to play the Knock-Out format.

- h) If court availability, due to unforeseen delays, becomes a problem, the Referee has the authority to modify the playing format to ensure that the tournament finishes on time. The best-of-three sets with No-Ad scoring or deciding tie-break or deciding match tie-break can be used. It is strongly recommended to play the approved format in the Main Draw. The Main Draw should have priority in case of unforeseen delays.
Grand Slam Tournaments may be extended as necessary for completion.

- i) **Round Robin**

1. Ties shall be broken as follows:

- a) If two (2) players/teams are tied with the same won-lost record after the completion of the Round Robin, the tie is broken as follows:

The winner of the head-to-head of the two (2) players/teams tied.

- b) If three (3) or more players/teams are tied with an equal number of points, the following procedure shall be used.
 - i. Any players/team that has not played in all matches in its round robin group is automatically eliminated;
 - ii. Highest percentage of matches won;
 - iii. Highest percentage of sets won from all matches played;
 - iv. Highest percentage of games won from all matches played;
 - v. The players/team seeding ranking
 - vi. Drawn by lot
 - vii. When three or more players/teams are tied, head to head results are never used to determine the position in the Group at any stage.

- 2. In applying the tie break procedures above, a conduct default or retirement shall count as a straight set win or loss for purposes of Paragraph (36 i) 1.a and b). However, games won or lost in matches with the defaulting player/team shall not be counted in the application of Paragraph (36 i) 1.b iv). A retiring player/team may still continue in the competition if it is determined by the Tournament Doctor/ Sports Physiotherapist that such player/team is able to compete at a professional level.
- 3. If a player/ team withdraws prior to the tournament start date or is a no-show, the player/ team is defaulted from the event and all his/her/their results from matches played are void and shall not be considered.
- 4. Any player/team that withdraws from any Round Robin match after the first round shall not be eligible for the knock-out Competition.

j) The ITF recommends that players should not play more than two matches a day. If three must be played then it is recommended one singles and two doubles matches are played. In the event that a player is required to play two or more singles matches in one day within a Consolation Draw then an approved alternative scoring method must be used.

k) The ITF recommends that a player should be scheduled to play a singles match before a doubles match irrespective of whether it is the Main, Second or Consolation Draw.

- l) Sponsor and TV coverage should not compromise the schedule of play e.g. doubles played before singles.

37. DRAW SIZES

ITF Wheelchair Tennis Ranking Points are to be awarded in line with the draw size as published on the ITF Wheelchair Tennis Website. The ITF has the authority to change the draw sizes where deemed necessary. The ITF reserves the right to rely on World Tennis Number as a rating to determine eligibility of entry into a Tournament and seeding.

a) **Main Draw: men, and women and quad draws**

The following descriptions apply to the men's, women's and quad draws at all events.

i. Singles

The ranking is one complete list and the highest ranked players entering the tournament fill the set advertised draw size, which is determined by the ITF. A set maximum number of Wild Cards and Feed Up Cards are available. Entry into the Main Draw and the seeds are determined by the Wheelchair Tennis Singles Ranking of the previous week.

ii. Doubles

The highest ranked teams, drawn on the first day of the tournament fill the set advertised draw size, which is determined by the ITF. A set maximum number of Wild Cards are available. Entry into the Main Draw and the seeds are determined by the combined doubles Wheelchair Tennis ranking of the previous week.

Teams are selected according to the following method:

- a. Teams consisting of two players with a Wheelchair Tennis Ranking, in order of the combined ranking of the two players. If two doubles teams have the same combined ranking, the pair with the highest ranked individual player should be accepted first.
- b. Teams consisting of one player with a Wheelchair Tennis Ranking and one unranked player, in order of ranking for the ranked player. Ties shall be resolved by a draw.
- c. Teams consisting of two players without a Wheelchair Tennis Ranking. The order of teams shall be drawn.

Acceptance into the singles Main Draw does not give players automatic entry into the doubles Main Draw.

b) **Second Draw: men, women and quad draws**

The following descriptions apply to men’s, women and quad draws at all events.

i. Singles

Players who have not been accepted in the Main Draw will be included in the Second Draw. The ITF determines the minimum set draw size. The ITF will allow a larger draw size, although points will only be awarded for the draw size as identified by the ITF. Entry into the Second Draw and the seeds are determined based on the Singles Ranking of the previous week.

ii. Doubles

Teams who have not been accepted in the Main Draw will be included in the Second Draw. The ITF determines the minimum set draw size. The ITF will allow a larger draw size, although points will only be awarded for the draw size as identified by the ITF. Entry into the Second Draw and the seeds are determined based on the combined Doubles Ranking of the previous week. At ITF 3 and Futures events the Main Draw and Second Draw doubles can be combined in order to ensure draws have enough doubles teams to constitute a draw. Doubles Ranking points, however, will only be awarded from the set draw size advertised and to draws with a minimum of four (4) doubles teams. Acceptance into the singles Second Draw does not give players automatic entry into the doubles Second Draw.

d) Consolation

Tournaments are requested to organise a consolation draw for all players who lose the first match they play. If a player has qualified through the qualifying draw, and then loses their first match of the main draw, they are eligible to play the consolation. If a player receives a walk over in the main draw, they are not eligible to enter the consolation.

It is the responsibility of the tournament and players to verify if there are enough players in a draw to receive Wheelchair Tennis Ranking points. Players who wish to play consolation must sign in with the tournament. Players are not obligated to play consolation. Under no circumstances should a tournament include a player in the consolation draw that has not signed in. Points will be awarded to the winner and runner-up of the men's, women's and quad consolation draws at Super Series to Futures Series events. At Super Series events the semi-finalists of the men's, women's and quad consolation draws will also receive Wheelchair Tennis Ranking points. There must be a minimum of four players for points to be awarded. The Code of Conduct will be enforced in all consolation draw matches.

e) Pre-Qualifying round

When there are less than five singles players and five doubles teams in the Second Draw, a pre-qualifying round shall be played to qualify for the Main Draw. The lowest ranked players in the Main

Draw and the players who should be in the Second Draw will be drawn to play in the pre-qualifying round. Losers in the pre-qualifying round will receive 1 point and will have the option of playing Main Draw Consolation.

For details on how to make the draw for the pre-qualifying round, please check Regulation 41 “Making the Draw”.

f) Late withdrawal

The Referee is required to inform the ITF of any late withdrawal. If a withdrawal within two weeks of the tournament affects the minimum number of players needed to play the draw for either the singles or doubles draw, Rankings points will be awarded for the draw provided that the Referee has informed the ITF of the withdrawal/s.

38. SEEDS

All Tournaments will have a seeded draw with seeds determined as follows:

a) Seedings List

Seedings will not be official until the draw is made and shall be determined by the Referee. The Wheelchair Tennis Ranking dated the Monday of the week before the tournament week shall be used to determine the seedings in the Main, Second and Consolation Draws. Seedings for all other draws can be made as decided by the Referee. The ITF reserves the right to rely on World Tennis Number as a rating to determine seeding.

b) Number of Seeds

The number of players or doubles teams to be seeded must be as follows:

Number of players or doubles teams	Number of seeds
4-8	2
9-16	4
17-32	8
33-64	16

The number of players to be seeded should be based on the actual draw size and not the set draw size.

c) Singles

Individual players who have equal Singles Ranking should be drawn by lot to determine seeding.

d) Doubles

The seeding for the doubles will be made by adding the individual Doubles Ranking from both players. The pair with the lowest combined Doubles Ranking will be seeded highest, and so on. If two doubles teams have the same combined ranking, the pair with the highest ranked individual player, according to the Doubles Ranking will be seeded first.

39. WILD CARDS (SINGLES AND DOUBLES)

Wild Cards are given to players to be included in the draw at the sole discretion of the Tournament Director. The number of Wild Cards will be allocated according to the size of the set draw below. If the draw size is changed, Wild Cards will be allocated according to the advertised draw size in accordance with the draw tables below.

For top players who are under the rule of restriction for top players, if their Singles Ranking moves outside of the restricted ranking at any time after the Entry Deadline, they can be awarded a Wild Card.

A Tournament may not offer a Wild Card to a player entered into another event after the Withdrawal Deadline for the other event, unless permitted under Appendix C, IV (c).

Set Advertised Draw Size	No. of Wild Cards
32	4
24	4
16	2
12	1
8	1
4	1

40. FEED-UP CARDS (SINGLES ONLY)

Feed-Up Cards will be awarded to the winner of the Second Draw. Players can use their Feed-Up Cards to enter the Main Draw at upcoming events that are lower, the same level or one level higher classified than at which they won the Second Draw.

Winner of Second Draw Futures → Feed-Up Card for Futures, ITF 3

Winner of Second Draw ITF 3 → Feed-Up Card for Futures, ITF 3, ITF 2

Winner of Second Draw ITF 2 → Feed-Up Card for Futures, ITF 3, ITF 2, ITF 1

Winner of Second Draw ITF 1 → Feed-Up Card for Futures, ITF 3, ITF 2, ITF 1, SS

Winner of Second Draw SS → Feed-Up Card for Futures, ITF 3, ITF 2, ITF 1, SS

In case a number of players apply to use their Feed-Up Card at the same tournament, the Tournament must accept the highest ranked player by the entry deadline of the tournament. Players must use their Feed-Up Card within six (6) months after winning the tournament.

Feed-Up Cards must be allocated by the entry deadline but Wild Cards can be allocated at a later stage. The ITF must be informed of Feed-Up Cards at the entry deadline.

If there are no requests for Feed-Up Cards, these places will be used for the next player on the Singles Ranking list. Only one feed-up card will be allocated.

Feed-up cards cannot be used to enter Grand Slam and Singles Masters events or the Paralympic Games.

41. MAKING THE DRAW

The Singles and Doubles Main and Second Draw and Consolation Draw should be made by a qualified Referee. The Main and Second Draws should be made **one (1) day** before the start of play and shall be made in public, in the presence of at least one player who is competing in the tournament. Once sign-in is complete, the Consolation Draw must be made following the same procedure used for the Main/Second Draws.

If the Main Draw cannot be filled with ranked players and there are 2 or more non-ranked players, the players who play the pre-qualifying round will be decided by lot.

The Main/Second/Consolation Draws shall be made as follows:-

- i.** Place seed 1 on line 1 and seed 2 on line 8 (in an 8 draw), 16 (in a 16 draw), 32 (in a 32 draw).
- ii.** To determine the placement of the remaining seeds, draw in pairs of two (seeds 3 and 4) and groups of four (seeds 5-8, 9-12 and 13-16) from top to bottom as follows:-

Seeds	16 draw	32 draw	64 draw
3 and 4	5	9	17

13, 14, 15 and 16		8
		24
		41
		57

iii. Byes

If there are byes they shall be given to the seeds in descending order and thereafter byes are drawn for placement in the draw so as to be distributed equally in the sections of the draw.

iv. Pre-qualifying round

When there are less than five singles players or doubles teams in the Second Draw, a pre-qualifying round shall be played to qualify for the Main Draw. The lowest ranked players in the Main Draw will play against the players who should be in the Second Draw.

The Main Draw can still be made as described above, but in place of the names of the lowest ranked players or teams (who are required to play in the pre-qualifying round), the lines where they are drawn should be designated as “Qualifier.”

For the pre-qualifying round, the players are drawn by lot.

At the conclusion of the pre-qualifying round, the successful qualifiers shall be drawn by lot again for their places in the Main Draw and be placed on the “Qualifier” lines from top down.

Losers in the pre-qualifying round will receive 1 point and will have the option of playing Main Draw Consolation.

42. CHANGES AFTER THE DRAW

a) Withdrawal of Seeds

If a seeded player withdraws after the draw has been made but prior to the release of the Order of Play for the first day of the Main Draw,

the vacancy shall be filled by the next eligible player to be seeded. The highest ranked Second Draw player may fill the vacated position in the draw.

b) Mistakes in the Draw

Every effort will be made to ensure that the draws are made correctly according to the rules laid out in these Regulations. However, should a mistake be made, the Referee shall make a decision which shall be final and binding on all concerned, based on the principles below.

Note: No changes can be made to the draw once that draw has commenced play.

c) Incorrect Seeding

If a player has been seeded incorrectly, and the correction of the seeding only affects one (1) other player's position in the draw, the two (2) players should be swapped over. In this case the draw need not be remade.

If a player has been seeded incorrectly and the correction of the seeding affects two (2) or more players' position in the draw, the draw must be remade.

d) Inclusion/exclusion of Players

If a mistake is made in the draw due to non-inclusion of players who do not have written confirmation of their acceptance into the tournament, the draw need not be rectified. If a player is excluded in the draw due to an error of the Tournament or Referee, the player should be placed on the last available bye line according to Regulation 41 "Making the Draw" if there are any bye lines available. If the draw is full to a complete draw size of 8, 16, 32 or 64, the draw must be remade. If a player has been included by mistake of the Tournament or Referee, the player should be taken out of the draw.

e) Withdrawals

In Doubles, teams withdrawing where permitted in the Code of Conduct will receive Doubles Ranking points and prize money for the previous round, unless the withdrawing player had withdrawn/retired from his/her singles match on the same or the previous day. In Singles, players withdrawing where permitted in the Code of Conduct will receive Singles Ranking points and prize money for the round that they reached.

For the purpose of this Rule a match is played when it is won as a result of any injury or an immediate default of an opponent under the Code of Conduct. No Ranking points or prize money is awarded to a player who withdraws or is a “No Show” without playing their first match. If a player receives one or more consecutive byes and then withdraws from their first match, no Ranking points or prize money will be awarded.

f) Lucky Loser

Lucky Losers are players who have lost in the pre-qualifying round. When a pre-qualifying round takes place, any subsequent vacancies in the Singles or Doubles Main Draw shall only be filled by Lucky Losers. The Lucky Losers shall be ordered and selected as follows:

1. Players or teams with a Singles Wheelchair Tennis Ranking for the Singles draw or Doubles Wheelchair Tennis Ranking for the Doubles draw shall be randomly drawn; then
2. Unranked players shall be randomly drawn.

43. PRIZE MONEY

The players in each Tournament shall be compensated on the basis of their performance by on-site prize money which shall be distributed by each Tournament during or at the conclusion of the tournament. Except for on-site prize money no player shall be offered or paid any other money or anything of value except for amateur or professional expenses. Prize money shall be paid only for matches played.

The following minimum prize money levels (US\$) are required:

GS	SS	ITF1	ITF2	ITF3	FUTURES
[TBC]	45000	32000	22000	14000	3000

Prize Money Requirements:

- a) The published total amount of Prize Money at Wheelchair Tennis Tour tournaments should be fully distributed.
- b) Information about the prize money breakdown should appear on the tournament fact sheet. Any taxes to be paid should be announced on the factsheet. The ITF will only publish the amount of prize money being given to the Main Draw.

- c)** Information about the breakdown and distribution of the prize money should be available to the players in the following manner:
 - in the players' information pack
 - before the start of the tournament
 - displayed at the tournament office
 - in the tournament programme

- d)** Each Tournament should fill in a prize money report after the tournament is completed, showing the actual amounts of prize money, the distribution and the names of the players with the amounts they received.

- e)** No reduction in the total prize money is permitted after it is announced. The prize money distribution can be changed if it is incorrect. Tournaments should deduct the appropriate taxes before publication of the total prize money. Alternatively, tournaments should state the applicable national tax regulations in their entry forms and on the Tournament Factsheet.

- f)** In the cases where the minimum number of players or teams is not met and no Wheelchair Tennis Ranking points are awarded, no prize money will be awarded.

- g)** Prize money should be paid immediately at the conclusion of the tournament.

- h)** Tournaments are required to provide supporting paperwork indicating the amount of prize money that the player has been allocated.

- i)** When Prize Money is withheld from players the Prize Money will be retained by the Tournament Organiser.

- j)** Prize money shall be paid in cash or by cheque on-site, or by bank transfer immediately following the event. On-site payments of prize money must be paid in US Dollars or local currency. Bank transfer payments must be made in US Dollars unless prior approval to pay in any other currency is obtained in writing from the ITF no less than four (4) months prior to the start of the tournament.

If local currency is selected, then the exchange rate for a given tournament (Official ITF Exchange Rate) shall be the average of the six (6) months immediately preceding six (6) months prior to the tournament. If on the Monday, seven (7) days prior to the start of the

tournament, there is a fluctuation in the Official ITF Exchange Rate of five percent (5%) or more, up or down, then such exchange rate shall be adjusted, up or down as follows:

Exchange Rate Fluctuation	Exchange Rate Adjustment
Less than 5%	None
Between 5-10%	5%
10% or greater	One-half the Exchange Rate Percentage Fluctuation *

(* For example, if the currency fluctuates 11% from the authorized exchange rate, the exchange rate will be adjusted by 5.5%).

Each Tournament electing to pay on-site prize money in a specific non-US currency shall obtain from the ITF the official ITF exchange rate determined as above provided and shall use the same.

- k)** The total Prize Money pool for a Tournament must be split between the Men’s, Women’s and Quads events on a pro-rata basis according to the number of players in the Singles Main Draws of each of those events.
- l)** There is no Prize Money for the Second Draw.
- m)** In case a tournament cannot be completed because of bad weather conditions, prize money will be added up and split equally between the players remaining in the tournament.

44. WHEELCHAIR TENNIS RANKING SYSTEM

The Wheelchair Tennis Ranking system consists of Singles and Doubles Rankings. Men's, Women's and Quad players receive Wheelchair Tennis Ranking Points in Singles and Doubles Main Draw, Consolation Draw and

Second Draw. Juniors receive Wheelchair Tennis Ranking Points for Singles and Doubles Main Draw only.

The Wheelchair Tennis Ranking is calculated by combining the points obtained across a 52 week roll-over period for:

- the top nine (9) tournaments for men,
- the top eight (8) tournaments for women and
- the top seven (7) tournaments for quads.

To obtain a Wheelchair Tennis Ranking, all players must have competed in a minimum of two events and have earned points from those two events.

The Wheelchair Tennis Junior Ranking is composed of 25% of points from the eligible adult Wheelchair Tennis Ranking points, added to all junior Wheelchair Tennis Ranking points. To obtain a Wheelchair Tennis Junior Ranking, a player must have competed in one tournament.

In consideration of the challenges and restrictions created by the Covid-19 global pandemic, the following changes were introduced to the ranking system on 7 September 2020 and shall continue in full force and effect until 31 December 2021:

- Until 14 March 2021, a player's ranking will be comprised of his/her best X results (X = 7 for Quads, 8 Women, 9 Men) achieved between 18 March 2019 and 14 March 2021 (i.e. a 24 month/104 week ranking period).
- Between 7 September 2020 and 14 March 2021, the Mandatory Event rule is suspended and therefore '0 point' ranking penalties will not be applied to the ranking of any relevant player who does not compete in a Mandatory Event held within this period.
- Results/ranking points earned between 18 March 2019 and 15 March 2020 (i.e. 52 weeks), including '0 point' penalties, are protected and will have their ranking drop date extended by 52 weeks.
- Any result/ranking points earned between 7 September and 14 March 2021, will replace a player's result/ranking points in the previous edition of that tournament provided the 2020 result is a better result and provided it is one of the player's best x results.
- Effective from 15 March 2021, points earned from 16 March 2020 will drop on an ongoing weekly basis and be replaced with points earned from tournaments in 2021 and 2022, as per the standard 52-week system.
- Only results earned in one edition of a tournament shall count towards a player's best x results during the 104-week period (i.e. double counting of the same tournament is not permitted).

The following draws of any tournament are eligible to gain points on the Wheelchair Tennis Ranking:-

Grand Slam Events

- Men's, women's and quad main draws, singles and/or doubles.

SS and ITF 1 – Futures and Juniors Events

- Men's Main Draw and Second Draw, singles and doubles.
- Quad and Women's Main and Second Draws (where applicable), singles and doubles.
- Men's, women's and quad Main Draw singles consolation winner and runner-up; and semi-finals at Super Series events only.
- Junior singles only

Masters

- Men's, women's and quad draws, singles and doubles
- Junior's singles only.

World Team Cup

- Final and Regional Qualifying Events.
- Men's, women's and quad events, singles and doubles.
- Junior Singles only
- Points are awarded based on the opponent's Wheelchair Tennis Ranking, as detailed in Regulation 57. World Team Cup Points.

Points Allocation

With the exception of World Team Cup:

- A player is awarded points according to the round achieved.
- A player losing in the pre-qualifying round is awarded one (1) point.
- A player losing in the first round is awarded two (2) points.
- A player who receives a "bye" in the first round and loses in the second round receives two (2) points.
- A player who receives a "walkover" in the first round, and loses in the second round, receives second round points.
- A player who is deemed a "No Show" in the first round will receive no points and no prize money for that draw.
- There are no separate point tables for doubles. The same line of points will be allocated as for the singles draws.
- In case a tournament cannot be completed because of bad weather conditions, Wheelchair Tennis Ranking points will be added up and split equally between the players remaining in the tournament.

Tied Ranking

When two or more players have the same total number of points, ties shall be broken as follows:

1. The player with the least number of events played will be ranked higher.
2. If two or more players are still equal, players will be ranked based on the classification of tournaments where points have been earned e.g. SS and ITF 1 receive higher recognition.

APPENDIX A

HISTORY AND PUBLICATIONS

History

Over the past four decades, wheelchair tennis has been one of the fastest growing and most exciting international sports for the disabled. Originated in 1976 by American Brad Parks, the game has developed from a recreational activity to a professional sport. In response to its remarkable global growth, the International Wheelchair Tennis Federation (IWTF) was created in 1988 to govern, promote and develop the sport worldwide. There were originally eight founding member nations and it is estimated that wheelchair tennis is played in more than one hundred countries in all continents.

On 1 January 1998, the IWTF was fully integrated into the ITF, making it the first disabled sport to achieve such a union at an international level. In order to maintain links with former IWTF member nations, which include National Disability Organisations, National Wheelchair Tennis Associations and National Tennis Associations, the International Wheelchair Tennis Association (IWTA) was formed. The IWTA acted as an advisory body to the ITF Wheelchair Tennis Committee, representing the views of players and administrators. At the end of 2012, the IWTA was dissolved and an advisory panel established. In 2016 wheelchair tennis celebrated its 40th Anniversary.

Publications/Information

At the beginning of each calendar year the ITF will publish Wheelchair Tennis Rules and Regulations. The Wheelchair Tennis Rules and Regulations include information regarding the Rules, Competition and Events and the running of wheelchair tennis. The ITF will publish articles on wheelchair tennis in official ITF publications. All news and information on ITF wheelchair tennis activities can also be found on the following:

APPENDIX B

RULES OF WHEELCHAIR TENNIS

1. RULES OF PLAY

The game of wheelchair tennis follows the ITF Rules of Tennis with the following exceptions.

a. The Two Bounce Rule

The wheelchair tennis player is allowed two bounces of the ball. The player must return the ball before it bounces a third time. The second bounce can be either in or out of the court boundaries.

b. The Wheelchair

The wheelchair is considered part of the body and all applicable rules, which apply to a player's body, shall apply to the wheelchair.

c. The Service

The service shall be delivered in the following manner:

- i. Immediately before commencing the service, the server shall be in a stationary position. The server shall then be allowed one push before striking the ball.
- ii. The server shall throughout the delivery of the service not touch with any wheel, any area other than that behind the baseline within the imaginary extension of the centre mark and sideline.
- iii. If conventional methods for the service are physically impossible for a quad player, then the player or another individual may drop the ball for such a player and allow it to bounce before it is struck. If this is the case, the same method of serving must be used for the entire match.

d. Player Loses Point

A player loses a point if:

- i. The player fails to return the ball before it has bounced three times; or
- ii. Subject to rule e) below the player uses any part of his/her feet or lower extremities against the ground or against any wheel while delivering service, striking a ball, turning or stopping while the ball is in play; or
- iii. The player fails to keep one buttock in contact with his/her wheelchair seat when contacting the ball.

 - i. The wheelchair may be constructed of any material provided that such material is non-reflective and does not constitute a hindrance to the opponent.
 - ii. Wheels may have a single pushrim only. No changes to the wheelchair that afford the player a mechanical advantage are permitted, such as levers or gears. During normal play, wheels shall not leave permanent marks on, or otherwise damage, the court surface.
 - iii. Subject to Rule e(v), players shall use only the wheels (including pushrims) to propel the wheelchair. No steering, braking or gearing or other device that may assist operation of the wheelchair, including energy storage systems, is permitted.

 - v. Players who meet the requirements of Article 10 of the ITF Wheelchair Tennis Classification Rules may use a wheelchair powered by electric motor(s) (a "powered wheelchair"). Powered wheelchairs must not be able to exceed 15 km/h in any direction and shall be controlled by the player only.
 - vi. Applications may be made for modifications to the wheelchair for legitimate medical reasons. All such applications shall be submitted to the ITF Sport Science & Medicine Commission for approval a minimum of 60 days prior to intended use in an ITF-sanctioned event. A decision to reject a proposed modification may be appealed under Chapter III of the ITF Wheelchair Tennis Regulations.

- f. Propelling the Chair with the Foot
 - i. If due to lack of capacity a player is unable to propel the wheelchair via the wheel then he may propel the wheelchair using one foot.
 - ii. Even if in accordance with rule e) i. above a player is permitted to propel the chair using one foot, no part of the player's foot may be in contact with the ground:
 - a) during the forward motion of the swing, including when the racket strikes the ball;
 - b) from the initiation of the service motion until the racket strikes the ball.
 - iii. A player in breach of this rule shall lose the point.

- g. Wheelchair/Able-bodied Tennis

Where a wheelchair tennis player is playing with or against an able-bodied person in singles or doubles, the Rules of Wheelchair Tennis shall apply for the wheelchair

Notwithstanding a player satisfying one of the exceptions above, where a player enters an agreement with the Tournament Organiser for a hospitality package but withdraws to play another event, the player shall be required to reimburse the Tournament Organiser for any unrecoverable costs from the hospitality package provided the Tournament Organiser can demonstrate to the player that such costs are unrecoverable. The ITF will not mediate disputes between the Tournament Organiser and the player, this is a matter for the tournament and player to resolve.

With the exception of administrative error, players found to have been accepted into two Tournaments in one week after the Withdrawal Deadline should not be allowed into any Tournament. Players found to have competed in two Tournaments taking place over the

g) Appeals

Any player found to have committed an Entry Offence may, after paying all fines as provided above, appeal to the ITF Internal Adjudication Panel, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the ITF Internal Adjudication Panel's decision). The appeal shall be made in writing, using the form prescribed by the ITF, and must be filed with the ITF by 5.00pm GMT within fourteen (14) days from the date the player is notified of the violation (the “Notice of Appeal”). The Notice of Appeal must include a

One violation of this Article V-1.A that is flagrant and particularly injurious to the success of the tournament, or is singularly egregious, or a series of two (2) or more violations of this Article V-1.A within a twelve (12) month period which when viewed together establish a pattern of conduct that is collectively egregious and is detrimental or injurious to the tournament may also constitute the Major Offence of "Aggravated Behaviour".

For a Related Person or any other Covered Person: immediate revocation of accreditation and denial of access to the tournament. One or more violations which are singularly or collectively flagrant or egregious or detrimental or injurious to the tournament may also result in permanent revocation of accreditation and denial of access to all ITF tournaments, competitions and events as determined by the ITF.

The ITF Supervisor shall make such investigation as is reasonable to determine the facts regarding an alleged violation of this Article V-1.A. Upon determining that a violation has occurred, the ITF Supervisor shall specify the fine and/or other sanction(s) to be imposed and give written notice thereof to the Covered Person.

The ITF Supervisor shall not revoke a Covered Person's entry and/or access to an ITF Wheelchair Tennis tournament without first consulting the ITF Executive Director save where the immediate revocation of entry and/or access to a tournament is, in the reasonable opinion of the ITF Supervisor, necessary to preserve the health and safety of other Covered Persons.

c) Payment of Fines

Each ITF Wheelchair Tennis Tournament shall deduct fines levied by the ITF Supervisor for violations of this Article V-1 from a player's winnings, if any, and promptly pay the same to the ITF. Any unpaid fines by any Player shall also be collected at other ITF tournaments for remission to the ITF.

The appeal shall be made in writing, using the form prescribed by the ITF and must be filed with the ITF by 17:00 (5.00pm) GMT within fourteen (14) days from the date the Covered Person is notified of the violation. The Notice of Appeal must include a statement by the Covered Person as to the facts and circumstances of the incident along with any other evidence the Covered Person wishes to submit.

VI. MAJOR OFFENCES

a) Aggravated Behaviour

No player or Related Person at any ITF Tournament event shall engage in "Aggravated Behaviour" which is defined as follows:-

1. One or more incidents of behaviour designated in this Code as constituting "Aggravated Behaviour";
2. One incident of behaviour that is flagrant and particularly injurious to the success of an ITF Tournament, or is singularly egregious;
3. A series of two (2) or more violations of this Code within a twelve (12) month period which singularly do not constitute "Aggravated Behaviour", but when viewed together establish a pattern of conduct that is collectively egregious and is detrimental or injurious to ITF Tournaments.

In addition, any player or Related Person, who, directly or indirectly, offers or provides or receives any money, benefit or consideration to or from any other covered person or third party in exchange for access and/or accreditation to the Tournament site shall be deemed to have engaged in aggravated behavior and be in violation of this section.

Violation of this Section by a player, directly or indirectly through a Related Person or others, shall subject a player to a fine of up to \$1,000 or the amount of prize money won at the Tournament, whichever is greater, and a maximum penalty or permanent suspension from play in any ITF tournament, event or circuit.

Violation of this section shall subject a Related Person to a maximum penalty of permanent revocation of accreditation and denial of access to any ITF tournament, event or circuit.

b) Conduct contrary to the Integrity of the Game

No player or Related Person shall engage in conduct contrary to the integrity of the Game of Tennis. If a player is convicted of the violation of a criminal or civil law of any country, he may be deemed by virtue of such conviction to have engaged in conduct contrary to the integrity of the Game of Tennis and the ITF Executive Director may provisionally suspend such a player from further participation in ITF Tournaments pending a final determination in Section c). In addition, if a player has at any time behaved in a manner severely damaging to the reputation of the sport, he may be deemed by virtue of such behaviour to have engaged in conduct contrary to the integrity of the Game of Tennis and be in violation of this Section.

Violation of this Section by a player, directly or indirectly through a Related Person or others, shall subject a player to a fine up to \$1,000 and/or to a maximum penalty or permanent suspension from play in all ITF Tournaments.

Violation of this section shall subject a Related Person to a maximum penalty of permanent revocation of accreditation and denial of access to all ITF Tournaments.

c) Determination and Penalty

The ITF will investigate all facts concerning any alleged Major Offence. All Players and Related Persons must cooperate fully with such investigations. The ITF may make a written demand to a Player or Related Person (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Major Offence, including (without limitation) requiring the Player or other Related Person to attend

an interview and/or to provide a written statement setting forth his/her knowledge of the relevant facts and circumstances. The Player or Related Person must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Section VI(c), the ITF forms the view that a Player or Related Person has a case to answer for commission of a Major Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Player or Related Person and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Player or Related Person has a case to answer, the ITF will send a written notice to the Player or Related Person (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Major Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Major Offence has been committed; and
- (c) the Player or Related Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Major Offence(s) charged, and accede to the consequences specified in the Notice of Charge;
 - (ii) to admit the Major Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of

- Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
- (iii) to deny the Major Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- (d) if the Player or Related Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Player or Related Person's receipt of the Notice. The request must also state how the Player or Related Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Player or Related Person will be deemed to have admitted the Major Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Player or Related Person admits the Major Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Major Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the Player or Related Person.

Provisional Suspension

At the time, afterwards, or (exceptionally) before, it issues a Notice of Charge, the ITF may impose a Provisional Suspension on the Player or Related Person in question pending determination of the charge(s), where it considers it necessary to protect the integrity and/or reputation of the Competition, the ITF, and/or the sport of tennis.

Where a Provisional Suspension is imposed, the ITF shall notify the Player or Related Person of his/her right:

- (a) at his/her election, to make an application to the Chairman of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has been imposed, that it should be vacated). The Chairman of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable; and

(b) to have the proceedings before the Independent Tribunal expedited so that the hearing is held, and the charge against him/her is determined, as soon as possible, consistent with the requirements of due process.

In circumstances where the ITF decides not to impose a Provisional Suspension, the Player or Related Person shall be offered the opportunity to accept a voluntary Provisional Suspension pending the resolution of the matter. If the Player or Related Person wishes to accept the offer (and receive credit against any period of suspension that might be imposed), the Player or Related Person must communicate his/her acceptance in writing to the ITF, in a form acceptable to the ITF.

No admission shall be inferred, or other adverse inference drawn, from the decision of a Player or Related Person (a) not to make an application to avoid (or to vacate) a Provisional Suspension, or (b) to accept a voluntary Provisional Suspension.

A Player or Related Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any tournament, event or circuit owned or sanctioned by the ITF.

Any period of Provisional Suspension served by the Player or Related Person (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF) shall be credited against any period of suspension imposed by the Independent Tribunal, provided that the Player or Related Person must have respected the terms of the Provisional Suspension in full. No credit against a period of suspension shall be given for any time period before the effective date of the Provisional Suspension (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF), regardless of the Player's or Related Person's status or lack of participation during such period. If a period of suspension is served pursuant to a decision that is subsequently appealed, then the Player or Related Person shall receive a credit for such period of Provisional Suspension served against any period of suspension that may ultimately be imposed on appeal.

Hearing

If the Player or Related Person charged exercises his/her right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

d) Payment of fines

All fines levied by the Independent Tribunal for Major Offences shall be paid by the player to the ITF within thirty (30) days after receipt of written notice thereof. If the fine is not paid in thirty (30) days:

- (a) the ITF Executive Director will instruct the next ITF sanctioned wheelchair tennis event to withhold prize money due to the player until settlement is made; and
- (b) the Player's fine will be added to the Player's unpaid fines and Section V(v) shall apply.

e) Appeal

The ITF, the Player and/or the Related Person may appeal the Independent Tribunal's decision to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

f) Commencement of Penalty

A suspension imposed on a Player for a Major Offence shall take effect from the later of the following, unless specified otherwise by the Independent Tribunal or the ITF when issuing the suspension:

- (a) the date of notification by the ITF or Independent Tribunal;
- (b) if the Player is participating in a Tournament on the date of notification, the day after he or she finishes competing in that Tournament.

The revocation of accreditation or denial of access to ITF tournaments, events and circuits imposed on a Related Person shall take effect immediately upon notification.

The Tournament must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Section IX, the ITF forms the view that a Tournament has a case to answer for commission of a Tournament Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Tournament and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Tournament has a case to answer, the ITF will send a written notice to the Tournament (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

The request must also state how the Tournament responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Tournament will be deemed to have admitted the Tournament Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Tournament admits the Tournament Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Medical

a. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Physiotherapist (as defined in the *ITF Guide to Recommended Health Care Standards*) during the warm-up or the match.

- Treatable Medical Conditions
 - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
 - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.
- Non-Treatable Medical Conditions
 - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
 - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
 - General player fatigue.
 - Any medical condition requiring injections or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.
 - Any medical condition requiring oxygen, unless prior medical approval has been given by the ITF. Except as permitted by this provision, the use of supplemental oxygen is not permitted at any time, for any reason.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request

through the Chair Umpire for the Sports Physiotherapist to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Physiotherapist, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court.*

If the Sports Physiotherapist determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the ITF Supervisor/Referee or Chair Umpire when the Sports Physiotherapist has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Physiotherapist determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Physiotherapist is ready to start treatment. At the discretion of the Sports Physiotherapist, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.*

The Medical Time-Out is limited to three (3) minutes of treatment. However, the ITF Supervisor/Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Sports Physiotherapist, in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports

Physiotherapist believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Sports Physiotherapist for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Sports Physiotherapist and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Physiotherapist and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of end or set-break in order to receive immediate evaluation, and treatment if time allows. There may be a total of two (2) additional change of ends treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF Supervisor/Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the ITF Supervisor/Referee or Chair Umpire for the special circumstance in which the Sports Physiotherapist determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Physiotherapist will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Sports Physiotherapist and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Physiotherapist must be called to the court by the Chair Umpire for evaluation and treatment. The Sports Physiotherapist, in conjunction with the Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Physiotherapist and/or Tournament Doctor, the ITF Supervisor/Referee or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Physiotherapist must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Incapacity

If any concern arises about a player's medical condition (whether physical or psychological) that might impact on his/her ability to participate safely in a tournament, the Tournament Doctor and/or Sports Physiotherapist should be called to assist the player as soon as possible.

If the issue arises during a match, the Chair Umpire should immediately call for the Tournament Doctor and/or Sports Physiotherapist to assist the player.

The Tournament Doctor is responsible for ensuring that the player is afforded the best medical attention, that his/her well-being is not put at risk, and that his/her medical condition is not a risk to other players or the public at large. All discussions between the doctor and the player take place within the context of a doctor-patient relationship and are therefore confidential and may not be divulged to a third party without the informed consent of the player. However, if the Tournament Doctor determines that the player's medical condition makes the player unable to participate safely in the tournament, the player must permit the Tournament Doctor to advise the ITF Supervisor/Referee of their determination (only disclosing medical information to which the player has consented). Upon receipt of such report from the Tournament Doctor, the ITF Supervisor/Referee whether to retire the player from the match in progress or withdraw the player

from the match to be played (as applicable). The ITF Supervisor/Referee shall use great discretion before taking this action, and should base the decision on the best interests of professional tennis, as well as taking all medical opinion and advice, and any other relevant information into consideration.

If the player's medical condition improves sufficiently to return to match play, the Tournament Doctor may inform the ITF Supervisor/Referee accordingly. At the discretion of the ITF Supervisor, the player may subsequently compete in another event at the same tournament (e.g. doubles), either that day or on a subsequent day.

In cases where there is any doubt, the ITF Supervisor/Referee should follow the process in Appendix D, h).

It is recognized that national laws or governmental or other binding regulations imposed upon the event by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

APPENDIX E

DATA RIGHTS

1. Definitions

The following terms shall have the following ascribed meanings:

“DATA RIGHTS” shall mean the right to in any way use or create or assemble official data including without limitation the right to collect, collate, store, use, reproduce, exploit, onward supply or make available any and all official data including but not limited to the live scoring rights.

elements of the competition. Each host organiser will assist the ITF in its efforts to exercise the data rights.

ITF hereby confirms that each host organiser may on a royalty free basis use official data by the following means:

In addition ITF confirms that where ITF provides a live score centre of any match on the ITF website the host organiser may request ITF's permission to incorporate a link on their respective official websites that enables viewers to access and view such live score centre. ITF will not unreasonably refuse any request to incorporate such a link provided that the link is incorporated in accordance with ITF directions.

All other rights to use or create or assemble official data or in any way to exercise the data rights are reserved exclusively to ITF and may be exploited by ITF at its sole election.

3. Data rights protection

Host organiser shall not allow or authorise the dissemination, transmission, publication or release of any official data and/or any match score or other related statistical data from the venue.

The use of laptop computers, mobile phones or other handheld electronic devices within the venues to collate, collect, use, store, reproduce, onward supply or make available any official data and/or any match score or other related statistical data or for purposes relating to gambling shall be prohibited and each host organiser national association shall

take reasonable steps to enforce such prohibition (including without limitation by means of venue regulations, ticket conditions and accreditation terms), **save for incidental use within editorial reporting**. The exception to this provision is host organiser and/or ITF credentialed personnel when used in the performance of their duties.

The host organiser shall co-operate with the ITF in relation to:

- Any system or scheme that the ITF implements for the exercise, collection, supply and/or licensing (in each case by the ITF itself or via an appointed 3rd party) of live scoring rights;
- Any measures that the ITF takes to protect the exclusivity of live scoring rights and the prevention of any unauthorised collation, collection, use, storage, reproduction, onward supply or making available of official data.

The ITF and the host organiser shall at all times co-operate with and comply with the requirements of the tennis anti-corruption program.

4. PAT data exploitation

The ITF has, subject to the rules of tennis, agreed that players using approved PAT systems may collect, collate, assemble and store PAT data from matches played in the competition subject to the following conditions:

- i. During the match the coaches and players and any technology providers or service operators involved in the collection, collation and/or analysis of PAT data shall only use such PAT data for internal analysis and coaching purposes of the respective player and/or team and such use shall be strictly subject to rule 30 of the rules of tennis
- ii. Each host organiser coach and player shall and undertakes to procure that any technology provider or service operator involved in the collection, collation and/or analysis of PAT data at any time shall:
 - a) Not publish, use or otherwise exploit any PAT data or supply any PAT data or analysis derived therefrom to third parties for any purposes other than as described in 4(i) above or that have otherwise been pre-approved in writing by ITF and shall take such steps as ITF may reasonably require to prevent any unauthorised access to and/or use of such PAT data, in particular but without limitation no PAT data or analysis or product derived therefrom shall be used or supplied to any third party for any purpose related to betting and/or gambling;
 - b) Ensure that ITF shall be able to access free of charge any and all such PAT data live and/or delayed at the venue of the match and/or such other point

as may be agreed and ITF shall be free to use such PAT data and authorise third parties to use such PAT data for any purposes;

In the event that such PAT data is accessed by unauthorised third parties and/or ITF reasonably believes that PAT data and/or PAT equipment and/or services are being used for any purposes in breach of these regulations ITF shall be entitled to rescind its approval and the coaches and players will immediately cease use of the PAT system pending resolution.

Upon receipt of such a complaint, or if the ITF itself considers that there has been an apparent violation of this Welfare Policy, the ITF shall promptly investigate the matter. All Covered Persons must cooperate fully with such investigations.
- ii. Upon request by the ITF, the ITF Internal Adjudication Panel may provisionally suspend a Covered Person pending determination of the charge(s), where it considers it necessary to protect:
 - (a) other participants, including players, who are or may be at risk of harm from the Covered Person’s continued participation in Wheelchair Tennis Tour tournaments and/or the World Team Cup; and/or
 - (b) the integrity and/or reputation of the Competition, the ITF and/or the sport of Tennis.
- iii. Upon review of the matter and, where appropriate, additional investigation, the ITF may determine that the matter does not merit further action. If the ITF determines that the matter does merit further action, after notifying the accused

individual of the charge(s) it shall refer the matter to the ITF Internal Adjudication Panel. After giving the accused individual the opportunity to present his or her views, the ITF Internal Adjudication Panel may impose appropriate sanctions including (a) denial of privileges or exclusion of the person in question from any or all ITF Tournaments, or (b) such other sanctions including monetary sanctions as the ITF Internal Adjudication Panel may deem appropriate.

The ITF Internal Adjudication Panel reserves the right to share information concerning a complaint with and/or conduct an investigation in conjunction with any tennis organisation as specified above. The ITF Executive Director may also refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities it considers appropriate. - v. Decisions of the ITF Internal Adjudication Panel under clause (iii) and (iv) above may be appealed to the Independent Tribunal in accordance with Section III (Appeals) of the Regulations. A Covered Person may refer a decision of the ITF Internal Adjudication Panel to impose a provisional suspension under clause (ii) above to the Independent Tribunal under its supervisory jurisdiction on the basis that:
 - (a) the decision is irrational (i.e. it falls outside the range of what a reasonable decision-maker might decide), arbitrary or capricious;
 - (b) the decision is based on an error of law (i.e. it is contrary to the ITF Rules and Regulations, properly construed, or to applicable law); or
 - (c) the procedure that was followed in reaching the decision was so unfair as to be contrary to natural justice.
- vi. Any decision of the ITF Internal Adjudication Panel pursuant to this Welfare Policy may be communicated to those Member National Associations, other tennis organisations and ITF Tournament organisers deemed necessary by the ITF Executive Director and/or the ITF Internal Adjudication Panel.

APPENDIX H

RECIPROCITY

The ITF reserves the right to ask the ITF Internal Adjudication Panel to affirm, modify, extend or reject with respect to any or all ITF Wheelchair Tennis tournaments, a suspension or other sanction issued against a Covered Person (as defined in Appendix G - ITF Welfare Policy) either by or on behalf of the ITF pursuant to a conduct or disciplinary process under any ITF code or policy or by any other tennis organisation (including but not limited to the Women's Tennis Association and Association of Tennis Professionals, the Grand Slam Board, and each member national association) or other relevant authority.

The ITF Internal Adjudication Panel shall have the right in its absolute discretion to share information concerning any complaint against a Covered Person with and/or conduct an investigation in conjunction with any other tennis organisation or any other relevant authorities. The ITF Internal Adjudication Panel may also refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities he considers appropriate in his absolute discretion. The ITF shall have the absolute discretion, where it deems appropriate, to stay its own investigation pending the outcome of investigations being conducted by any other tennis organisations and/or any relevant authorities.

A decision by the ITF Internal Adjudication Panel to affirm, modify or reject a suspension or other sanction issued against a Covered Person may be appealed by the Covered Person to the Independent Tribunal, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the Independent Tribunal's decision).

APPENDIX I

THE PLAYERS

Any reference to players in this Appendix I shall apply to the Captain where appropriate.

- (h) has not otherwise engaged in conduct which brings his/her National Tennis Association and/or the ITF into disrepute.

A player who fails to satisfy any of the criteria at (a)-(h) above but intends to be considered for selection, must establish to the satisfaction of his/her National Tennis Association that he/she is of “Good Standing” notwithstanding his/her failure.

Any Appeal against a final decision handed down by a National Association shall be lodged with the ITF Internal Adjudication Panel within 21 days of notification of the decision in question. Recourse may only be made to the ITF Internal Adjudication Panel after all other internal channels of appeal to a National Association have been exhausted. The decision of the ITF Internal Adjudication Panel will be provided in writing and shall be final and binding. The ITF Internal Adjudication Panel in its absolute discretion may set aside the determination of a National Tennis Association that a player is of “Good Standing”.

The ITF Internal Adjudication Panel will give a ruling having taken into account all relevant matters.

The ITF will deal with any cases involving transgender players in accordance with the principles set out in the ITF Transgender Policy, which can be found on the ITF website: www.itftennis.com
