

FORM PER LA MISURAZIONE DEI LUX SUI CAMPI DA PADEL (1)

The diagram illustrates a rectangular padel court with a central vertical line and a horizontal line across the middle. A zigzag line representing a net is drawn across the horizontal line. Nine measurement points are marked with boxes and numbers: 1, 2, and 3 are along the top edge; 4, 5, and 6 are along the horizontal line; and 7, 8, and 9 are along the bottom edge. Point 5 is at the center of the court, where the vertical and horizontal lines intersect.

(1) Si intende la media delle 9 misurazioni. Si rinvia al punto "illuminazione" sul foglio omologazione.
