I. THE COMPETITION

1. Title

The Competition, an international junior singles and doubles competition, shall be called the “ITF Junior Circuit”.

2. Mission Statement

The ITF Junior Circuit is comprised of the best international junior tournaments staged by its Member nations worldwide. National Associations are responsible for proposing the best national tournaments for inclusion in the Circuit, subject to the final approval of the ITF Juniors Committee who govern the geographical distribution and grading of Circuit tournaments.

The ITF Junior Circuit provides a platform for the most successful junior players at national level to measure their standard against the best players from other nations and by reference to the ITF Junior World Ranking, which determines the ITF Junior World Champions at the end of each year.

3. ITF Junior Circuit Main Calendar Principles

The ITF Junior Circuit calendar aims to give junior players the opportunity to compete and earn ranking points up to the highest levels of the junior game. The following main principles govern the calendar:

- At least one tournament in every ITF member nation;
- Pyramid shaped region-by-region calendar from grade A to 5 with fewer tournaments at the top;
- Pyramid shaped calendar world-wide with fewer tournaments at the top;
- Geographical distribution by grade, country and region;
- Maximum number of tournaments per country and overall number of tournaments world-wide linked to the mission of the Circuit;
- Boys’ and girls’ tournaments always together at the same venue;
- No calendar off season to ensure main school holiday period in different parts of the world is used by junior players to compete in their region;
- Maximum number of tournaments in one week in each region;
- Free hospitality for players and official coaches at Circuit tournaments;
- Closed regional and inter-regional championships;
- No two Grade 1 tournaments in the same week in the same continent.

4. Ownership

The Competition shall be owned and managed by ITF Limited, hereinafter referred to as the “ITF”. The ITF promulgates these Tournament Regulations for the purpose of providing fair and reasonable rules for the orderly and uniform conduct of international junior tennis tournaments sanctioned by the ITF. All references to the International Tennis Federation or ITF in these Regulations shall mean ITF Limited. These

Regulations shall be applicable to the junior tournaments known as the ITF Junior Circuit. Ownership shall include, but not be limited to, the following national and international rights: registered trademarks of the ITF; commercial exploitation of the Competition; international sponsorship of the Competition; television, radio, film and video recordings, plus new media and internet coverage.

5. Players Eligible

Only boys and girls who are under the jurisdiction of a national tennis association affiliated to the ITF and who are born between 1st January 1995 and 31st December 2000 may compete in any of the tournaments that comprise the 2013 ITF Junior Circuit. They must be in “good standing” with their national association as defined in Appendix M of the ITF Junior Circuit Regulations. Players may not participate in any ITF Junior Circuit Tournament unless they have reached their thirteenth (13) birthday before the start of the main draw. In accordance with the ITF Junior Age Eligibility Rules set out in Appendix G, players are limited in the number of tournaments in which they are permitted to participate in a calendar year according to their age.

6. Rules to be Observed

- a) The Competition is open to all tennis players based on merit and without discrimination subject only to the conditions herein set forth.
- b) The Competition shall take place in accordance with these Regulations, the Junior Circuit Code of Conduct, the Constitution of ITF Limited 2013 and the ITF Rules of Tennis.
- c) In submitting an application, a tournament automatically undertakes to abide by and fulfill all its obligations under the above Rules and Regulations.
- d) In submitting an entry to a tournament sanctioned by the ITF as a constituent tournament of the Circuit, a player automatically undertakes to commit him/herself to abide by and be bound by the above Rules and Regulations.
- e) Any player that enters and/or participates in the ITF Junior Circuit, and any Player Support Team Member of any player that enters and/or participates in the ITF Junior Circuit shall be bound by and shall comply with the provisions of the Welfare Policy set out in Appendix F.

7. International Player Identification Number (IPIN)

All players entering ITF Junior Circuit tournaments agree, as a condition of their entry, to have registered for annual Junior IPIN Membership, to accept the related terms and conditions and pay the appropriate fee. Failure by a player to register for IPIN Membership and to accept the related terms and conditions will result in the rejection of that player’s entry.

8. Final Rankings

The final rankings, issued at the end of each calendar year, shall be compiled on the basis of points earned for success in major individual and team events played on both a

round-robin and knockout basis. Trophies will be awarded to the winners of the two competitions.

III. RULES AND REGULATIONS OF THE CIRCUIT

11. Combined Junior Ranking

The six best singles results plus one quarter ($\frac{1}{4}$) of the six best doubles results in junior tournaments obtained in Grade A (Super Series), Grade B (Continental Championships), Grade C (International Team Competition) and Grades 1-5 plus Super Series bonus points and Grand Slam bonus points will be taken into consideration for the final ranking.

12. If two or more players receive the same number of points, their ranking will follow the number of points, within their six best singles results, scored in Grade A (Super Series) tournaments including bonus points. If two or more are still equal, players will be ranked based on the grade of tournament where points have been won in singles, in the following order: Grade B1, Grade 1, Grade B2, Grade 2, Grade B3, Grade 3, Grade 4, Grade 5 excluding Grade C (International Team Competition).

If two or more players are still equal their ranking will follow the number of points, within their six best doubles results, scored in Grade A (Super Series) tournaments, including bonus points. If two or more are still equal, players will be ranked based on the grade of tournament where points have been won in doubles, in the following order: Grade B1, Grade 1, Grade B2, Grade 2, Grade B3, Grade 3, Grade 4, Grade 5, excluding Grade C (International Team Competition).

13. To be ranked a player must reach a round where points are available (see points table, page 8). The number of points available in each round will vary dependent upon the grading of the tournament and the round reached. Ranking points for any relevant tournament will not be awarded to any player in breach of the ITF Junior Age Eligibility Rule.

14. The official published rankings will be calculated on a 52 week rollover system.

15. To be eligible for a year-end ranking a junior must have played in a minimum of six individual junior singles tournaments, including at least three Grade A (Super Series) tournaments and including at least three ranking tournaments outside his/her own country. Each Grade A (Super Series) tournament won will count as two tournaments played. Each Grade A (Super Series) tournament won will further count as one foreign tournament played.

16. Tournament Application and Approval

Applications for inclusion in the Circuit, giving full details of the tournament, are to be sent to the ITF, in accordance with the following deadlines:

a) Applications from both existing and new tournaments to be held from January to June must be received by 30th June of the previous year. Applications from both existing and new tournaments to be held from July to December must be received by 31st October of the previous year.

b) With the exception of the Youth Olympic Games Tennis event, Regional Championships and any other event sanctioned by the ITF, only tournaments organised by a National Association, or sanctioned by the National Association concerned, will be considered for inclusion.

c) Applications for tournaments to be held during the same week and at the same venue as a professional tour event will only be considered for inclusion if the tour event is owned and run by the relevant National Association.

17. The fact that a tournament is included in a series or group of tournaments does not automatically entitle the tournament to be part of the Circuit, even though other tournaments of the same series have been accepted.

18. A tournament which begins in late December and ends in January can either be the first tournament of the Circuit, or the last, at the discretion of the Juniors Committee.

19. If a tournament is included in the calendar and subsequently withdraws within ten (10) weeks of the scheduled first day of play, that tournament shall be subject to the Tournament Offences provisions as set out in Article VII of the Code of Conduct. This tournament must still pay the full amount of the sanction fee, as outlined in Rule 20 below.

20. Sanction Fees

All tournaments on the ITF Junior Circuit must pay the relevant fee below in order to be included on the Calendar.

21. Tournament Responsibilities

All tournaments must be played in accordance with these Regulations, the Junior Circuit Code of Conduct, the Constitution of ITF Limited 2013 and the ITF Rules of Tennis.

22. If required, tournaments shall assign to the ITF, free of charge, one (1) page in the Official Tournament Programme for an ITF editorial or advertisement.

- c) Notifying the ITF (through Tournament Planner reports) of all money collected in on-site IPIN cash payments.
- d) Uploading results daily using the Tournament Planner software.
- e) On conclusion of the tournament sending to the ITF the ITF Referee's Report form, including details of any penalties imposed under the Code of Conduct. A list of any penalties imposed shall be posted during the tournament on the competitors' notice board, and shall be updated on a daily basis.

26. Research

No research involving players, coaches or other persons directly associated with a tournament shall be conducted without prior approval of the ITF.

27. Any tournament not complying with the ITF Junior Circuit Regulations 2013 will be subject to the determination and penalty procedures as set out in the ITF Junior Circuit Code of Conduct, under Article VII: Tournament Offences.

28. ITF Responsibilities

The ITF is responsible for the overall administration of the Circuit and costs involved, and shall do its utmost to ensure that the calendar is widely publicised.

29. The ITF shall process results from all tournaments on the Circuit and shall issue on a weekly basis the latest world ranking points accumulated by competitors. These shall be published on the ITF Juniors website: www.itftennis.com/juniors.

30. National Association Responsibilities

National Associations shall ensure that the tournaments they sanction for inclusion in the ITF Junior Circuit maintain appropriately high standards of organisation and administration.

31. Grades and Allocation of Points

Tournaments shall be classified into grades, based mainly on a computer evaluation of previous tournaments while maintaining a geographical balance, with ranking points as set out below. Please refer to Appendices A, B and C for special regulations for tournament Grades A, B and C. The Youth Olympic Games tennis event organised every four years shall be classified as a Grade A tournament.

32. No points will be awarded to a player until he/she has played and won a round. Advancement through a bye or walkover in the first match will not be equivalent to winning a round. Advancement by virtue of retirement following the commencement of a match will be equivalent to winning a round. When a player has played and won a match, subsequent walkovers will not affect points won. An abandoned tournament counts as a tournament played if the player had not withdrawn before the decision to abandon was taken.

Any player who leaves a tournament prior to his/her elimination from all entered events, or retires from a tournament for medical reasons, without a valid medical certificate (from the tournament doctor), will forfeit all ranking points won in all events at that tournament and be subject to the penalties set forth in the Code of Conduct.

41. Singles Entry and Withdrawal

i) A player applying for entry shall be deemed to apply for entry into the Main Draw or the Qualifying of the tournament.

A player may apply for entry into one but not more than three (3) ITF Junior Circuit tournaments in a specific tournament week, in which case he/she must indicate a priority. If no priority is stated, the ITF will assign a priority. A player may not compete in an ITF Junior Circuit tournament if he/she has entered and is committed to another ITF Junior Circuit tournament during that period, except as outlined in Article II. 4c Playing Another Event/One Tournament per Week, in the Code of Conduct.

It is the responsibility of each National Association to promptly advise the ITF about any player not in “good standing” with his/her National Association. Please see Appendix M.

See Appendix O for Entry Procedures.

ii) All entries and withdrawals must be submitted online through the official IPIN service or, in exceptional circumstances, by fax on the Official Entry or Withdrawal Form to the ITF. Emails are not accepted.

All entries are subject to the Regulations and Conditions of Entry stated in Appendix O. Faxed entries must be signed by the player and must contain the required information.

The Entry Deadline is at 14:00 hrs Greenwich Mean Time (GMT) on the Tuesday twenty-seven (27) days prior to the Monday of the tournament week.

Grade A tournaments and their warm-up events shall have an entry deadline at 14:00 hrs GMT on the Tuesday either forty-one (41), thirty-four (34) or twenty-seven (27) days prior to the Monday of the tournament week .

Under exceptional circumstances other tournaments (Grades 1-5) may apply to the ITF for an exemption from the 27-day rule.

It is the player’s responsibility before entering a Junior Circuit tournament to check the correct entry deadline on the official tournament fact-sheet on the ITF website/IPIN online service. It is also the player’s responsibility to check that any online entry made has gone through and that a confirmation email has been received.

iii) A player can appear on more than one Alternate list and is not committed to play in any one tournament unless he/she moves into a Main Draw or Qualifying Acceptance List prior to the Freeze Deadline, in which case he/she will be removed from all other lists.

iv) The Withdrawal Deadline is at 14:00 hrs GMT on the Tuesday thirteen (13) days prior to the Monday of the tournament week. This applies to both Main Draw players and players on the Qualifying Acceptance List.

A player who appears on a Main Draw or Qualifying Acceptance List at any time after the Withdrawal Deadline is deemed to have been accepted into and is committed to play the tournament.

A player who appears on one or more Alternate list(s) may withdraw at any time, without penalty, until he/she first moves into a Main Draw or Qualifying Acceptance List, at which time he/she will be automatically withdrawn from all other Acceptance Lists by the ITF.

Any withdrawal from a player accepted into Main Draw or Qualifying that occurs after the Withdrawal Deadline will be considered a Late Withdrawal, unless that player has been nominated to represent his/her country in an official ITF or Regional Association team competition. A player's first three (3) late withdrawal offences within a calendar year will be excused and the player will not be penalised, provided the withdrawal is Submitted online through the official IPIN service or, in exceptional circumstances, by fax on the Official Withdrawal Form to the ITF. Emails are not accepted. It will no longer be necessary to provide a medical certificate in the case of a Late Withdrawal.

v) The Freeze Deadline is at 14:00 hrs GMT on the Wednesday preceding the tournament week. After the Freeze Deadline players on the Qualifying Acceptance List will no longer be moved into the Main Draw, and players on one or more Alternate Lists will no longer be moved into the Qualifying Acceptance List. Such Alternates are not committed to play the tournament and therefore are not subject to Late Withdrawal or No Show penalties.

A player who wishes to withdraw from Main Draw or Qualifying after the Freeze Deadline must submit an Official Withdrawal Form to both the ITF and ITF Referee, otherwise he/she will be subject to the penalties provided for No Show.

42. Administrative Error on Acceptance Lists

If an administrative error is made on a tournament Acceptance List and a player is not included or too many players are accepted into the tournament, the Acceptance List will be corrected at the earliest opportunity in accordance with the criteria for acceptances.

43. One Tournament per Week

A player may apply for entry into up to three (3) ITF Junior Circuit tournaments for the same week, but he/she must state a priority at the time of entry and he/she will be withdrawn from all except one event in accordance with the entry and withdrawal procedures outlined in Appendix O.

Once a player is committed to an ITF Junior Circuit tournament he/she may not compete in any other ITF Junior Circuit tournament that same week, except in the circumstances as stated in Article II. 4c Playing Another Event/One Tournament per Week, in the Code of Conduct.

A player may not compete in an ITF Junior Circuit tournament if he/she has competed in another tennis tournament in the same tournament week.

Violation of this Section shall result in a default by the ITF Referee and forfeiture of all ITF Junior Circuit world ranking points (where applicable).

44. One Tournament per Week – Grand Slam Qualifying

A player is allowed to play in two tournaments (professional Grand Slam Qualifying and ITF Junior Circuit event) provided the player has been eliminated from singles and doubles of the Grand Slam Qualifying prior to the Qualifying sign-in deadline of the ITF Junior Circuit tournament. The Qualifying Draw shall be made in sections, and the winner of each section shall be given a place in the Main Draw. If four (4) qualifiers are required, there shall be four (4) sections; six (6) qualifiers, six (6) sections; and so on. The draw shall be seeded and the selection of seeds shall be consistent with the criteria used for the main draw. Each section shall have two seeded players. The first seed shall be placed at the top of the first section, the second seed shall be placed at the top of the second section and so on until all sections have one (1) seed on the top line of each section. The remaining seeds shall be drawn as one group. The first drawn shall be placed on the bottom line of the

first section, the second drawn shall be placed on the bottom line of the second section and so on until all sections have one (1) seed on the bottom line of each section.

If there are not a sufficient number of seeded players to fill all the positions for seeds in the draw, the section(s) with the highest seed(s) shall not have a second seeded player. If no players are seeded, all players are drawn randomly.

ii) Acceptance of Qualifiers into Main Draw

Once the Qualifying event has begun, only those players who ultimately win their qualifying section and Lucky Losers may be accepted into the Main Draw. The Qualifying event commences when the first ball of the first Qualifying match is struck.

iii) Drawing of Qualifiers

At the conclusion of the Qualifying event, the name of one Qualifier shall be randomly drawn for each qualifying place in the Main Draw. There shall be no prior designation of qualifying sections to qualifying places in the Main Draw. Likewise, when more than one Lucky Loser is to be inserted into the Main Draw, their position in the Main Draw shall be determined by drawing. Vacancies occurring before the Qualifying is completed to be filled by Lucky Losers shall be drawn in conjunction with those players that qualified.

b) Main Draw

If there are two players from the same National Association competing, they shall be drawn in different halves of the draw.

If three or four players from the same National Association are competing, they shall be drawn in separate quarters.

This principle of separation of players shall extend to cover all players in the draw, including, as far as possible, qualifiers drawn manually if the draw is made before the qualifying event is completed.

i) Placing of Seeds

If there are two seeded players from the same National Association competing, they shall be drawn in different halves of the draw.

If three or four seeded players from the same National Association are competing, the first and second players shall be drawn as above and the third and fourth seeded player shall be drawn into the quarters which do not already contain one of that National Association's players.

This principle of separation of seeded players shall extend to cover all seeded players in the draw.

Taking into account the provisions above, seeds shall be placed or drawn as follows:

1. Place Seed 1 on line 1 and Seed 2 on line 16 (16 draw), 32 (24/32 draw), 64 (48/64 draw) or line 128 (96/128 draw).

2. To determine the placement of the remaining seeds, draw in pairs of two (Seeds 3 and 4) and groups of four (Seeds 5-8, 9-12 and 13-16) from top to bottom as follows:

	16 draw (4 seeds)	24/32 draw (8 seeds)	48/64 draw (16 seeds)	96/128 draw (16 seeds)
Seeds 3, 4	5 12	9 24	17 48	33 96

Seeds 13,14,15,16			8 24 41 57	16 48 81 113

ii) Byes

In the event that there are not enough competitors to fill the draw, then after the seeds are placed in the draw, the required number of byes shall be awarded to the highest seeds as a first priority and any remaining byes shall be drawn by a lot in a manner so as to distribute them as evenly as possible throughout the sections of the draw.

iii) Vacancies And Substitutions

Vacancies shall be filled with substitutes in accordance with the following:

a) From the Withdrawal deadline until the Freeze deadline:

- i) Vacancies in the Qualifying and Main Draw shall be filled by entered players selected in accordance with their position on the Acceptance List.

b) From the Freeze deadline until the Qualifying Sign-in Deadline:

- i) Vacancies in the Qualifying or Main Draw shall be filled, at the time of the Qualifying sign-in deadline by entered players who have signed in for the Qualifying event selected in accordance with the applicable criteria for acceptances and thereafter by ranked On-site Alternates who have signed in for the Qualifying event selected in accordance with the computer rankings of the Monday seven (7) days prior to the Monday of the tournament week. Where players have no such ranking, the order of priority shall be decided by lot.

c) From the Qualifying Sign-in Deadline until the commencement of the Qualifying competition:

Vacancies in the Qualifying or Main Draw shall be filled by entered players who have signed in for the Qualifying event selected in accordance with the applicable criteria for acceptances.

d) After commencement of the Qualifying competition:

Vacancies in the Main Draw may only be filled by Lucky Losers. A Lucky Loser shall be inserted as a substitute for any player who withdraws or is withdrawn before the first point is played in his/her first match. Lucky Losers are those players who have lost in the final round of Qualifying. If additional Lucky Losers are needed they shall be selected from losers in the previous round(s) in the same manner. Lucky Losers shall be selected as follows: The order of players with an ITF junior ranking shall be randomly drawn, thereafter the order of the unranked players shall be randomly drawn.

Vacancies in the Qualifying shall be filled by players who have signed the Alternate List for each day as applicable, selected in accordance with their position on the Acceptance List.

e) Sign-in Requirements for Substitutes

i) Alternates and Lucky Losers must be present and sign-in with the ITF Referee at least a half (½) hour before the scheduled start of play, which may occur over several days, in order to maintain their priority among other Alternates and Lucky Losers of the same round. If the eligible Lucky Loser is not available to play, he/she shall be placed at the bottom of the Lucky Loser Priority List for the day corresponding to the qualifying round in which he/she lost. If the eligible player is playing in the doubles event at the time he/she is called as a Lucky Loser in singles, the singles match may be rescheduled so he/she can fill the Lucky Loser position, provided the ITF Referee determines that such rescheduling of the singles match does not cause an unreasonable disruption in the schedule; otherwise the next available Lucky Loser shall be selected to fill such vacancy.

ii) Alternates and Lucky Losers must be ready to play in proper tennis attire within a total time of (5) minutes after the announcement of a vacancy. Matches must commence without delay after the selection of the Alternate or Lucky Loser.

iv) Special Exempts

Prior to the time of the Qualifying sign-in deadline, an ITF Referee may accept a verbal or written request for Special Exempt status on behalf of a player qualified to make such a request, but only from the Referee of the tournament at which the player is still participating. If there are not sufficient Special Exempt places in the Main Draw for all applicants, the players shall be selected as follows:

a) players still competing in the singles draw in order of ranking

b) players still competing in the doubles draw in order of ranking
The ranking used will be that of the Monday seven (7) days before the tournament week. If there is no Qualifying competition, or if Special Exempts are not needed prior to the time that the Qualifying draw is made, then the places in the Main Draw reserved for Special Exempts shall become places for Direct Acceptances who have signed in for Qualifying, to be selected in accordance with their position on the Acceptance List.

The maximum number of Special Exempts is as follows:

16 Draw	1
32 Draw	2
48 Draw	2
64 Draw	2
96 Draw	2
128 Draw	2

c) Doubles

i) Conducting a Draw

The placing of seeds and byes and the drawing of the remaining teams shall be in accordance with the same principles used in the singles Main Draw.

ii) Vacancies

A team shall constitute a doubles entry. Therefore, if either of the players of a team cannot play, that doubles entry is subject to immediate substitution. However, if a player has to withdraw through injury or other unavoidable circumstances after the sign-in deadline, but before the draw, his/her partner may enter again with another player who had not already been accepted in the doubles event. With this exception players may not change partners after the doubles entry deadline.

52. Seedings Official – Withdrawal after the Draw and Replacement of Seeds

Seedings will not be official until the final draw is made. The Seed Rankings from the Monday seven (7) days before the tournament week will be used.

Any vacancy created by the withdrawal of a seed shall be filled immediately by the next highest ranked player in the Main Draw eligible to be seeded. The position vacated by that next highest ranked player shall then be filled immediately by the next player on the original Acceptance List if prior to the commencement of Qualifying or by the eligible Lucky Loser if after commencement of Qualifying. Any vacancy created by the withdrawal of a seed which occurs after the release of the Order of Play on the day preceding commencement of play in the main draw shall be filled by an eligible Lucky Loser/Alternate.

Any replacement of seeds should be made without consideration to the placement of players from the same nation (as explained in 51 b).

53. Suspension and Postponement

The chair umpire may suspend a match temporarily due to darkness or conditions of the grounds or weather. Any such suspension by the chair umpire must be reported immediately to the ITF Referee. The ITF Referee must, however, make all decisions on the postponement of a match until a later day. Unless and until a match is postponed by the ITF Referee, the players, chair umpire and all on-court officials must remain ready to resume the match.

Upon suspension of a match, the chair umpire shall record the time, point, game and set score, and the name of the server, the sides on which each player was situated and shall collect all balls in use for the match. If suspension is due to darkness it should be after an even number of games have been played in the set in progress or at the end of a set. There shall be five (5) minutes of warm-up before a match. In the case of a suspended or postponed match, the period of warm-up shall be as follows:

0 - 15 minutes delay	- no warm-up
more than 15 minutes) less than 30 minutes)	- three (3) minutes of warm-up
30 or more minutes of delay	- five (5) minutes of warm-up

54. Related Regulations

To the extent not covered herein The Constitution of ITF Limited 2013 and the 2013 Rules of Tennis shall be applicable to all ITF Junior Circuit Tournaments. Such applicability shall not affect the right of the ITF Junior Circuit Tournaments to promulgate and enforce their own special regulations insofar as they are consistent with the applicable provisions of these Rules and Regulations and have been approved by the ITF.

CODE OF CONDUCT FOR 2013 ITF JUNIOR CIRCUIT TOURNAMENTS

ARTICLE I: GENERAL

A. PURPOSE

The International Tennis Federation (ITF) promulgates this ITF Code of Conduct (Code) in order to maintain fair and reasonable standards of conduct by junior players, player support team members and the organisers of all tournaments, regional championships and international team competitions included in the ITF Junior Circuit, and to protect their respective rights, the rights of the public and the integrity of the Sport of Tennis. All references to the International Tennis Federation or the ITF shall mean the ITF Limited.

B. EXCLUSIVE APPLICABILITY

This 2013 ITF Junior Circuit Code of Conduct shall be the basis for disciplinary action against any player or tournament in ITF sanctioned Junior Circuit tournaments, except to the extent that disciplinary jurisdiction is established in relation to such tournaments under (i) the Uniform Tennis Anti-Corruption Program; and/or (ii) the Tennis Anti-Doping Programme; and/or (iii) the ITF Welfare Policy.

C. ITF REFEREE

The approved ITF Referee for each ITF Junior Circuit tournament shall be the final authority for the interpretation of these Tournament Regulations, Code of Conduct and the Rules of Tennis as to all matters arising that require immediate resolution at the tournament site.

ARTICLE II: PLAYER ENTRY OFFENCES

A. APPLICABILITY

This Article shall only apply to ITF Junior Circuit tournaments.

B. ENTRY OFFENCES

1. Late Withdrawal/No-Show

A player who has entered and been accepted as a Direct Acceptance into the Main Draw or Qualifying and not timely withdrawn therefrom, shall appear for play. Any withdrawal from a player accepted into Main Draw or Qualifying that occurs after the Withdrawal Deadline shall be considered a late withdrawal. A player's first three (3) late withdrawal offences within a calendar year are excused ("late withdrawal

amnesty”), provided the withdrawal is received by the ITF (and by the ITF Referee, if submitted after the Freeze Deadline) prior to the Qualifying Sign-in Deadline.

A player who is on the Qualifying Acceptance List but who is still playing in another ITF Junior Circuit tournament at the time of the Qualifying Sign-In Deadline and who applies for a Special Exempt position, but where such Special Exempt position is not available for the player, will not be penalized for Late Withdrawal.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”.

2. On-Site Medical Withdrawal

a) If a player is forced to withdraw after sign-in for medical reasons, the ITF Medical Certification form must be completed (in English, French or Spanish) by the medically qualified physician on-site indicating the nature of the medical condition and verifying that the player is unfit to continue playing in the current tournament. Such medical documentation will excuse any penalty for the tournament and/or any subsequent tournament(s) but only until the stated expiry date or until the player next competes in any tennis event (whichever occurs first).

The ITF Medical Certification Form can be issued to a player who has won or lost his final match and/or been eliminated from the tournament but it will not excuse late withdrawal penalties from subsequent tournaments except as stated in section B.3. Consecutive Late Medical Withdrawals.

b) If a player is still committed to a previous week’s tournament at the time of the Qualifying sign-in deadline, he/she may submit to the ITF Referee a completed ITF Medical Certification form, as described above, authorised by the ITF Referee of the previous week’s tournament.

3. Consecutive Late Medical Withdrawals

Where a player withdraws late from consecutive tournaments for medical reasons, provided the first late withdrawal complies with the provisions of sections B.1 and B.2 above and each consecutive withdrawal occurs prior to the appropriate Sign-in Deadline, only the first late withdrawal will be subject to the penalty provided for late withdrawal.

Following recovery, should a player participate in a tournament and have to withdraw from a subsequent tournament, that withdrawal will once again be subject to all the provisions above.

4. Playing Another Event/One Tournament per Week

- a. No player who has played in the Qualifying or Main Draw of an ITF Junior Circuit tournament shall play in any other tennis event, including national and regional tournaments, during the period of such tournament.
- b. Any player who is found to have played in another tennis tournament in the same tournament week in which they have played an ITF Junior Circuit tournament will not receive ranking points for the ITF Junior Circuit tournament.
- c. No player who has entered and been accepted into the Qualifying or Main Draw of an ITF Junior Circuit tournament shall play in any other ITF Junior Circuit tournament during the period of such tournament, except as hereinafter provided. Participation by a player in an alternative tournament is only permitted in the following specific circumstances, provided the player first submits an official withdrawal for the tournament he/she was originally committed to, prior to its Qualifying Sign-in Deadline:
 - i) Player is nominated to represent his/her country in an official ITF or Regional Association team competition;
 - ii) Player is nominated to receive a Wild Card offering higher event status (i.e. moving from a Qualifying event to a Main Draw). In this case late withdrawal penalties for the original tournament will apply.
 - iii) Player is nominated to receive a Wild Card into a tournament of a higher grade. In this case late withdrawal penalties for the original tournament will apply.
 - iv) Player is forced to withdraw from a Qualifying event because he/she is still committed in a previous week's tournament but is not eligible to apply, or has been unsuccessful in applying, for a special exempt place.

C. WILD CARDS

No player, directly or indirectly, shall offer, give, solicit, receive or accept, or agree to offer, give, solicit, receive or accept anything of value in exchange for a Wild Card. Violation of this section by a player shall result in disciplinary procedures.

In circumstances that are flagrant and particularly injurious to the success of an ITF Junior Circuit tournament, or are singularly egregious, a single violation of this section shall also constitute the Major Offence of "Aggravated Behaviour".

D. FALSIFYING OFFICIAL DOCUMENTATION

Should a player submit documentation that the ITF deems to be false evidence, including but not limited to documents pertaining to tournament entry and withdrawal and Code of Conduct appeals, the player shall be subject to disciplinary procedures.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this section shall also constitute the Major Offence of “Aggravated Behaviour”.

E. DISCRETIONARY REVIEW

Any player found to have committed an Entry Offence may appeal to the ITF Manager of Junior Tennis for discretionary review of the determination of guilt and penalty therefore. Such Notice of Appeal shall be in writing and must be filed with the ITF by 5.00 pm GMT within fourteen (14) days after notice of the violation is received by the player.

Attached to and included with such Notice of Appeal shall be a statement by the player as to the facts and circumstances of such incident along with any other evidence that the player desires to submit. Any player submitting fax transmission receipts when appealing a Player Entry Offence should note that all fax receipts must match exactly the fax receipt records at the ITF Office; i.e. fax transmission receipts submitted must show the originating fax number, the fax number of the ITF Office, the OK status, the number of pages transmitted, the date, the time and the transmission duration. If there is no exact match with the transmission receipt records at the ITF Office the appeal will be rejected as insufficient evidence submitted.

Upon receipt of such an Appeal, the ITF Manager of Junior Tennis shall conduct a reasonable investigation of the facts and circumstances surrounding such incident, and shall affirm or reverse in whole or in part the determination of the Offence.

- c.** A Covered Person shall direct any response to a Notice to the AHO with a copy to the PTIO and may respond in one of the following ways:
 - i.** To admit the Corruption Offense and accede to the imposition of sanctions, in which case no hearing shall be conducted and the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) alleged in the Notice and ordering the imposition of sanctions, which shall be determined by the AHO after requesting and giving due consideration to a written submission from the PTIO on the recommended sanction.
 - ii.** To deny the Corruption Offense and to have the AHO determine the charge, and if the charge is upheld, the sanctions, at a hearing conducted in accordance with Section G.2.
 - iii.** To admit that he or she has committed the Corruption Offense(s) specified in the Notice, but to dispute and/or seek to mitigate the sanctions specified in the Notice. Either a request for hearing or a written submission solely on the issue of the sanction must be submitted

simultaneously with the Covered Person's response to the Notice. If a hearing is requested, it shall be conducted in accordance with Section G.2. If no hearing is requested, the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) specified in the Notice and ordering the imposition of sanctions, after giving due consideration to the Covered Person's written submission (if any) and any response submitted by the PTIO.

- d.** If the Covered Person fails to file a written request for a hearing by the deadline set out in Section G. 1. b, he or she shall be deemed:
 - i.** to have waived his or her entitlement to a hearing;
 - ii.** to have admitted that he or she has committed the Corruption Offense(s) specified in the Notice;
 - iii.** to have acceded to the potential sanctions specified in the Notice; and,
 - iv.** the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) alleged in the Notice and ordering the imposition of sanctions, (after requesting and giving due consideration to a written submission from the PTIO on the recommended sanction).
- e.** If, for any reason, the AHO is or becomes unwilling or unable to hear the case, then the AHO may request that the TIP appoint a substitute or successor AHO for such matter in accordance with Section F. 1.
- f.** In the event a Covered Person requests a hearing under Section G.1.c.ii or G.2.c.iii, thereafter, but no more than twenty business days after the date of the Notice or request for Hearing if received, the AHO shall convene a meeting or telephone conference with the PTIO and/or its legal representatives, the Covered Person to whom the Notice was sent and his or her legal representatives (if any), to take jurisdiction formally over the matter and to address any pre-Hearing issues. The non-attendance of the Covered Person or his or her representatives at the meeting, after proper notice of the

meeting has been provided, shall not prevent the AHO from proceeding with the meeting in the absence of the Covered Person, whether or not any written submissions are made on behalf of the Covered Person. In the meeting the AHO shall:

- i.** determine the date(s) (which must be at least twenty business days after the meeting, unless the parties consent to a shorter period) upon which the Hearing shall be held. Subject to the foregoing sentence, the Hearing shall be commenced as soon as practicable after the Notice is sent, and ordinarily within sixty days of the date that the Covered Person requests a Hearing. The Hearing shall be completed expeditiously;
 - ii.** establish dates reasonably in advance of the date of the Hearing at which:

 - 1.** the Covered Person shall submit a brief with argument on all issues that he or she wishes to raise at the Hearing;
 - 2.** the PTIO shall submit an answering brief, addressing the arguments of the Covered Person and setting out argument on the issues that the PTIO wishes to raise at the Hearing;
 - 3.** the Covered Person may submit a reply brief, responding to the PTIO's answer brief; and
 - 4.** the Covered Person and the PTIO shall exchange witness lists (with each witness's address, telephone number and a summary of the subject areas of the witness's anticipated testimony) and copies of the exhibits that they intend to introduce at the Hearing; and
 - iii.** make such order as the AHO shall deem appropriate in relation to the production of relevant documents or other materials between the parties.
- g.** The AHO may, at any time prior to issuing a Decision, request that an additional investigation be conducted into any matter reasonably related to the alleged Corruption Offense. If the AHO requests such an additional investigation, the TIU shall conduct the

investigation in accordance with the AHO's directions and shall report the findings of that investigation to the AHO and the Covered Person implicated in the alleged Corruption Offense at least ten days prior to the Hearing. If the Covered Person wishes to object to, or raise any issues in connection with, such additional investigation, he or she may do so by written submission to the AHO.

2. Conduct of Hearings.

- a. Hearings shall be conducted on a confidential basis. Unless the AHO orders otherwise for good cause shown by a party, each Hearing shall take place in either Miami, Florida, USA or London, England, as determined by the AHO.
- b. The Covered Person shall have the right (i) to be present and to be heard at the Hearing and (ii) to be represented at the Hearing, at his or her expense, by legal counsel. The Covered Person may choose not to appear at the Hearing, but rather to provide a written submission for consideration by the AHO, in which case the AHO shall take such submission into account in making his or her Decision. However, the non-attendance of the Covered Person or his or her representative at the Hearing, after proper notice of the Hearing has been provided, shall not prevent the AHO from proceeding with the Hearing in his or her absence, whether or not any written submissions are made on his or her behalf.
- c. The procedures followed at the Hearing shall be at the discretion of the AHO, provided that the Hearing shall be conducted in a fair manner with a reasonable opportunity for each party to present evidence (including the right to call and to question witnesses), address the AHO and present his, her or its case.
- d. The PTIO shall make arrangements to have the Hearing recorded or transcribed at the PTIO's expense. If requested by the Covered Person, the PTIO shall also arrange for an interpreter to attend the Hearing, at the PTIO's expense.
- e. Witness testimony presented in person or by video conference is acceptable.
- f. The TIB as well as PTIO members shall be permitted to attend all hearings, in person or by audio or video conference.

3. Burdens and Standards of Proof.

- a. The PTIO (which may be represented by legal counsel at the Hearing) shall have the burden of establishing that a Corruption Offense has been committed. The standard of proof shall be whether the PTIO has established the commission of the alleged Corruption Offense by a preponderance of the evidence.
- b. Where this Program places the burden of proof upon the Covered Person alleged to have committed a Corruption Offense to rebut a presumption or establish facts or circumstances, the standard of proof shall be by a preponderance of the evidence.
- c. The AHO shall not be bound by any jurisdiction's judicial rules governing the admissibility of evidence. Instead, facts relating to a Corruption Offense may be established by any reliable means, as determined in the sole discretion of the AHO.

4. Decisions.

- a. Once the parties have made their submissions, the AHO shall determine whether a Corruption Offense has been committed. Where Section H of this Program specifies a range of possible sanctions for the Corruption Offense found to have been committed, the AHO shall also fix the sanction within that range, after considering any submissions on the subject that the parties may wish to make.
- b. The AHO shall issue a Decision in writing as soon as possible after the conclusion of the Hearing. Such Decision will be sent to the parties and shall set out and explain:
 - i. the AHO's findings as to what Corruption Offenses, if any, have been committed;
 - ii. the sanctions applicable, if any, as a result of such findings; and
 - iii. the rights of appeal applicable pursuant to Section I of this Program.
- c. The TIU shall pay all costs and expenses of the AHO and of staging the Hearing. The AHO shall not have the power to award costs or make any costs order against a Covered Person or the PTIO. Each party shall bear its own costs, legal, expert and otherwise.

- d. Subject only to the rights of appeal under Section I of this Program, the AHO's Decision shall be the full, final and complete disposition of the matter and will be binding on all parties. If the AHO determines that a Corruption Offense has been committed, the TIB will publicly report the Decision.

H. Sanctions

- 1. The penalty for any Corruption Offense shall be determined by the AHO in accordance with the procedures set forth in Section G, and may include:
 - a. With respect to any Player, (i) a fine of up to \$250,000 plus an amount equal to the value of any winnings or other amounts received by such Covered Person in connection with any Corruption Offense, (ii) ineligibility for participation in any event organized or sanctioned by any Governing Body for a period of up to three years, and (iii) with respect to any violation of Section D.1, clauses (d)-(j) and Section D.2., ineligibility for participation in any event organized or sanctioned by any Governing Body for a maximum period of permanent ineligibility.
 - b. With respect to any Related Person or Tournament Support Person, (i) a fine of up to \$250,000 plus an amount equal to the value of any winnings or other amounts received by such Covered Person in connection with any Corruption Offense; (ii) suspension of credentials and access to any Event organized, sanctioned or recognized by any Governing Body for a period of not less than one year, and (iii) with respect to any violation of clauses (c)-(i) of Section D.1., suspension of credentials and access to any Event organized, sanctioned or recognized by any Governing Body for a maximum period of permanent revocation of such credentials and access.
 - c. No Player who has been declared ineligible may, during the period of ineligibility, participate in any capacity in any Event (other than authorized anti-gambling or anti-corruption education or rehabilitation programs) organized or sanctioned by any Governing Body. Without limiting the generality of the foregoing, such Player shall not be given accreditation for, or otherwise granted access to, any competition or event to which access is controlled by any Governing Body, nor shall the Player be credited with any points for any competition played during the period of ineligibility.

2. The TIU may report information regarding an investigation to the TIB and the PTIOs at any time.
3. The TIB may report Corruption Offenses that also violate non-sporting laws and regulations to the competent administrative, professional or judicial authorities.
4. If any Covered Person commits a Corruption Offense under this program during a period of ineligibility, it shall be treated as a separate Corruption Offense under this Program.

I. Appeals

1. Any Decision (i) that a Corruption Offense has been committed, (ii) that no Corruption Offense has been committed, (iii) imposing sanctions for a Corruption Offense, or (iv) that the AHO lacks jurisdiction to rule on an alleged Corruption Offense or its sanctions, may be appealed exclusively to CAS in accordance with CAS's Code of Sports-Related Arbitration and the special provisions applicable to the Appeal Arbitration Proceedings, by either the Covered Person who is the subject of the Decision being appealed, or the TIB.
2. Any Decision appealed to CAS shall remain in effect while under appeal unless CAS orders otherwise.
3. The deadline for filing an appeal with CAS shall be twenty business days from the date of receipt of the Decision by the appealing party.
4. The decision of CAS shall be final, non-reviewable, non-appealable and enforceable. No claim, arbitration, lawsuit or litigation concerning the dispute shall be brought in any other court or tribunal.

J. Conditions of Reinstatement

1. Once a Covered Person's period of ineligibility or suspension has expired and the Covered Person has paid all fines and/or prize money forfeitures, the Covered Person will become automatically eligible and no application by the Covered Person for reinstatement will be necessary.
2. All fines and/or prize money forfeitures imposed on players hereunder must be paid within thirty (30) days following the later of the receipt of an AHO decision or, if appealed to CAS, the receipt of the CAS decision. If not paid within the prescribed timeframe, the player shall be ineligible for participation in any event organized or sanctioned by any Governing

Body until such time as the fine and/or prize money forfeitures have been paid in full. The AHO and the PTIO shall have the discretion to establish an installment plan for payment of any fines and/or prize money forfeitures. For the avoidance of doubt, the schedule of payments pursuant to such plan may extend beyond any period of ineligibility; however, a default in payment under such plan shall automatically trigger a period of ineligibility until such default is cured.

K. General

1. No action may be commenced under this Program against any Covered Person for any Corruption Offense unless such action is commenced within either (i) eight years from the date that the Corruption Offense allegedly occurred or (ii) two years after the discovery of such alleged Corruption Offense, whichever is later.
2. Section headings within this Program are for the purpose of guidance only and do not form part of the Program itself. Nor do they inform or affect the language of the provisions to which they refer.
3. This Program shall be governed in all respects (including, but not limited to, matters concerning the arbitrability of disputes) by the laws of the State of Florida, without reference to conflict of laws principles.
4. In the event any provision of this Program is determined invalid or unenforceable, the remaining provisions shall not be affected. This Program shall not fail because any part of this Program is held invalid.
5. Except as otherwise stated herein, failure to exercise or enforce any right conferred by the Program shall not be deemed to be a waiver of any such right nor operate so as to bar the exercise or enforcement thereof or of any other right on any other occasion.
6. This Program is applicable prospectively to Corruption Offenses occurring on or after the date that this Program becomes effective. Corruption Offenses occurring before the effective date of this Program are governed by the former rules of the Governing Bodies which were applicable on the date that such Corruption Offense occurred.
7. Except as otherwise agreed to by the parties, all filings, Decisions, Hearings and appeals shall be issued or conducted in English.

Violation of this Section shall subject the tournament to disqualification and loss of sanction. The Manager reserves the right in its absolute discretion to share information concerning any complaint against a Covered Person with and/or conduct an investigation in conjunction with any other national or regional association or any other tennis organisation or any other relevant authorities. The ITF Manager may also refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities it considers appropriate in its absolute discretion. APPENDIX E

MEDICAL, EXTREME WEATHER CONDITIONS AND TOILET/CHANGE OF ATTIRE BREAKS

MEDICAL

A. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Medicine Trainer during the warm-up or the match.

- Treatable Medical Conditions
 - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
 - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.
- Non-Treatable Medical Conditions
 - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
 - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
 - General player fatigue.
 - Any medical condition requiring injections, intravenous infusions or oxygen, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.

B. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Medicine Trainer, in conjunction with the Tournament Doctor, to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Medicine Trainer to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Medicine Trainer, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court.

If the Sports Medicine Trainer determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

C. Medical Time-Out

A Medical Time-Out is allowed by the ITF Referee or Chair Umpire when the Sports Medicine Trainer has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Medicine Trainer determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Medicine Trainer is ready to start treatment. At the discretion of the Physiotherapist/Sports Medicine Trainer, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.

The Medical Time-Out is limited to three (3) minutes of treatment. However, at non-professional events, the ITF Referee may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Physiotherapist/Sports Medicine Trainer, in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Medicine Trainer believes that the player has heat illness, and

if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Sports Medicine Trainer for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Sports Medicine Trainer and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Medicine Trainer and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of ends or set-break in order to receive treatment. There may be a total of two (2) full change of ends or set-break treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF Referee that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the ITF Referee for the special circumstance in which the Sports Medicine Trainer determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Medicine Trainer will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

D. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Sports Medicine Trainer and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

E. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalised by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

F. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Medicine Trainer should be called to the court by the Chair Umpire for evaluation and treatment. The Physiotherapist/Sports Medicine Trainer, in conjunction with the Tournament Doctor, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Medicine Trainer and/or Tournament Doctor, the ITF Referee may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

G. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Medicine Trainer should determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

H. Physical Incapacity

During a match, if there is an emergency medical condition and the player involved is unable to make a request for a Sports Medicine Trainer, the Chair Umpire shall immediately call for the Sports Medicine Trainer and Tournament Doctor to assist the player.

Either before or during a match, if a player is considered by the Tournament Doctor and/or Sports Medicine Trainer to be unable physically to compete, or poses a sufficiently serious health risk to other players, officials or Tournament staff, the Sports Medicine Trainer and/or Tournament Doctor should inform the ITF Referee and recommend that the player is ruled unable to compete in the match to be played, or retired from the match in progress.

The ITF Referee shall exercise discretion before taking any action under this rule, and should base the decision on the best interests of the player and the sport, as well as taking all medical advice and any other information into consideration.

As a precondition to returning to competition, whether at the same or subsequent event, players who have been ruled ineligible to compete under this rule may be required to provide evidence (whether medical or otherwise) that they are physically capable of competing and/or that they pose no health risk to other players, officials or Tournament staff. All such evidence shall be subject to approval by the ITF Referee, in conjunction with the Tournament Doctor and/or the ITF Sport Science & Medicine Commission.

Subject to any other restrictions on participation, a player who has been ruled unable to compete under this rule may subsequently compete in another event at the same tournament, whether on the same or a subsequent day, provided that the Tournament Doctor determines that all preconditions for returning to competition have been met. If this rule is applied in a nation where it is inconsistent with the national law, then the national law will prevail.

EXTREME WEATHER CONDITIONS

Extreme weather conditions shall be defined at such time that heat, as measured by a Heat Stress Monitor, meets or exceeds a heat stress index of 30.1 degrees Celsius/86.2 degrees Fahrenheit. If a Heat Stress Monitor is not available, extreme weather conditions are then defined by the danger zone which is equal to or above the apparent temperature of 93 degrees Fahrenheit, illustrated on the chart below. Heat stress is measured by Wet Bulb Global Temperature (WBGT) which is calculated as (0.7 Wet Bulb + 0.2 Global Temperature + 0.1 Dry Bulb = WBGT).

The Sports Medicine Trainer or Tournament Doctor and the ITF Referee have the authority to determine if the extreme weather condition rule will go into effect during a tournament. If it is so determined, a ten (10) minute break will be allowed between the second and third sets. There may also be a delay in the starting time of the matches scheduled for play that day. When possible, this decision to delay the start of matches due to extreme weather conditions should be made prior to the scheduled start of play.

Measurement And Monitoring Of Weather Conditions

The Sports Medicine Trainer or Tournament Doctor will monitor weather conditions by taking measurements a minimum of three (3) times during the day:

- (1) ½ hour before match play begins for the day
- (2) middle of the scheduled day
- (3) prior to beginning of the last match of the day/night.

Implementation of the Rule

In the event that during the day there is a sudden change in weather conditions as determined by this periodic monitoring, the Extreme Weather Condition Rule may be put into effect at any time on all courts, excluding matches already in progress. If there is a change in weather conditions and the rule is lifted, those matches already in progress will continue under the extreme weather condition rule. In the case of rain or interruption to play, the ITF Referee and Sports Medicine Trainer or Tournament Doctor can reassess the Rule.

Conditions of the 10-Minute Break

If it is a mutual agreement between the players not to take a ten (10) minute break, then play will continue. However, if requested by one player, the ten (10) minute break will be taken.

In the absence of a chair umpire, the ITF Referee shall agree the time that the match shall be resumed with both players.

During the ten (10) minute break, no coaching or treatment will be allowed. However, a player will be allowed to receive an adjustment of medical support, medical equipment and/or advice from the Sports Medicine Trainer or Tournament Doctor.

Following the ten (10) minute break, no re-warm-up will be allowed.

This rule applies in addition to the allowed bathroom/change of attire breaks during the match.

Penalties

After completion of the extreme weather conditions ten (10) minute break between the 2nd and 3rd sets, any delay in returning to the court shall subject a player to Time Violations.

TOILET /CHANGE OF ATTIRE BREAK

A player is allowed to request permission to leave the court for a reasonable time for a toilet break / change of attire break (girls' matches).

Toilet breaks should be taken on a set break. Change of attire breaks (girls' matches) must be taken on a set break.

In girls' singles events, a player is entitled to two (2) breaks during a match. In boys' singles events, a player is entitled to one (1) toilet break.

In a doubles match, each team is entitled to a total of two (2) breaks. If partners leave the court together, it counts as one (1) of the team's authorised breaks. These breaks may be taken for toilet visits, change of attire (girls' matches), or both, but for no other reason whatsoever.

Any time a player leaves the court for a toilet/change of attire break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet/change of attire break taken after a warm-up has started is considered one of the authorised breaks. Additional breaks will be authorised, but will be penalised in accordance with the point penalty schedule if the player is not ready to play within the allowed time.

The ITF Referee shall have the authority to deny a player permission to leave the court during a match for a toilet and/or change of attire break if it is interpreted by the ITF Referee as gamesmanship and/or flagrant abuse of the Rules.

A player should not take a toilet/change of attire break and a medical time out consecutively unless approved by the ITF Referee.

A player may change her attire during a toilet break.

Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

The decision of the ITF Committee or ITF Board of Directors shall be final and binding. Official hotels should be of an appropriate standard and should have enough available rooms for all players and player support team members. Players and player support

team members from the same country should always be placed in the same hotel. The ITF reserves the right to refuse official hotels if they do not meet ITF standards.

HOTEL SAFETY GUIDELINES

The ITF recommends that hotels be selected for tournaments based on the following factors:

- Located in safe part of the town/city
- Safety and Security
 - Compliance with Hotel Room Policy (Welfare Policy part iv.d.)
 - Reception or management staff available 24 hours/day
 - Separate security staff available 24 hours/day
 - Criminal background checks or security screening for all staff
 - Guests must show ID to get room keys
 - Motels or other accommodations requiring entrance to rooms from the street or public outdoor walkways are not acceptable
 - Safe facilities available for guest valuables
- Emergency Procedures
 - Emergency and evacuation procedures in place
 - Compliant with fire codes and others as applicable (e.g. earthquake, tornado)
 - Hotel fitted with working smoke detectors/alarms/sprinkler systems
 - Staff trained in emergency management procedures
- Rooms
 - Guestrooms require keycard entry and equipped with deadbolts
 - Guestrooms equipped with one-way peep holes
 - Guestrooms equipped with telephones
 - Bathroom and toilet facilities in each guestroom, separated from sleeping area by closing/locking door
 - Disabled access and facilities available
- Cleanliness
 - Housekeeping/ laundry meets national hygiene standards
 - Restaurants/ kitchens meet national food service and storage standards

The ITF suggests tournaments use a checklist to evaluate hotel suitability (an example is available from the ITF Juniors department) and that a suitable tournament representative personally conducts a check of and approves the hotel facilities prior to the tournament.

APPENDIX O

ENTRY AND WITHDRAWAL PROCEDURES 2013 ITF JUNIOR CIRCUIT TOURNAMENTS

Entry Deadline:

Tuesday twenty-seven (27) days prior to the Monday of the tournament week (no later than 14:00 hours GMT)

Grade A tournaments and their warm-up events entry deadline: forty-one (41), thirty-four (34) or twenty-seven (27) days prior to the Monday of the tournament week at 14:00 hrs GMT on the Tuesday.

Under exceptional circumstances other tournaments (Grades 1-5) may apply to the ITF for an exemption from the 27-day rule.

It is the player's responsibility before entering any Junior Circuit tournament to check the correct entry deadline on the official tournament fact-sheet on the ITF website and/or on the IPIN online service. It is also the player's responsibility to check that an online entry has gone through and that a confirmation email has been received.

Withdrawal Deadline (Main Draw and Qualifying): Tuesday thirteen (13) days prior to the Monday of the tournament week (no later than 14:00 hours GMT)

Freeze Deadline: Wednesday preceding the tournament week (no later than 14:00 hours GMT)

It is the player's responsibility to make all entries and withdrawals and to check his/her position on the Entry Lists. All entries and withdrawals must be submitted online through the IPIN Online Service or in writing on the official Entry or Withdrawal Form and sent to the ITF by fax or post, to be received before the appropriate deadline. Entries and withdrawals are not accepted by telephone or via email.

All players entering ITF Junior Circuit tournaments must be a member of their national tennis association and must be in "good standing" with their national associations as defined in Appendix M of the ITF Junior Circuit Regulations.

All players entering ITF Junior Circuit tournaments agree, as a condition of their entry, to have registered for annual IPIN Membership and have paid the appropriate fee. Failure by a player to register for IPIN Membership will result in the rejection of that player's entry.

If a player enters more than one but not more than three ITF Junior Circuit tournaments occurring during the same period, **HE/SHE MUST STATE A PRIORITY ON HIS/HER ENTRY FORM.**

At the Withdrawal Deadline:

- If a player is accepted into the Main Draw or Qualifying of one ITF Junior Circuit tournament, he/she will be immediately withdrawn from the Entry Lists of all other tournaments.
- If a player is accepted into the Main Draw or Qualifying of more than one ITF Junior Circuit tournament occurring during the same period, he/she will remain on one List and will be immediately withdrawn from the Entry Lists of all other tournaments according to the following criteria:
 1. Main Draw takes priority over Qualifying, and Qualifying over Alternates
 2. Tournament Entry Priority

If a player did not state an entry priority, he/she will be immediately withdrawn from all but one Entry List according to the following criteria:

3. Tournaments with the highest grade will take priority, or if equal;
 4. The Entry List on which he/she is highest placed will take priority, or if equal;
 5. The tournament which is geographically closest to his/her country of Nationality will take priority
- If a player is not accepted into any ITF Junior Circuit tournament occurring during the same week, he/she may remain on more than one Entry List as an Alternate until the Freeze Deadline. However once he/she is accepted into any ITF Junior Circuit tournament, he/she will be withdrawn from the Entry Lists of all other tournaments occurring during this period.

After the Freeze Deadline:

- Players who are on one or more Alternate Lists will not be moved into Qualifying and players in Qualifying will no longer be moved into the Main Draw.
